

# Student-run Clubs and Leadership Groups @ Baulko 2025

Participation in extracurricular activities is highly recommended and encouraged. Extracurricular activities provide students with an opportunity to develop skills that are not gained through a purely academic education. These skills are essential in the working environment, including: communication, leadership and teamwork.

*Extracurriculars are run by students, mainly during school hours. Covers a range of activities and interest groups, join and have some fun!*
