## From the principal's desk:

We are almost half way through first term. All students appear to have settled in well, especially our newer students.

Congratulations to everyone associated with the success of our Presentation Night last week. It was a very smooth night of celebration and recognition for our top achievers. Many of our achievers had already been recognised at Recognition Assemblies throughout the year. Special thanks go to the teachers, office staff, cadets, prefects and orchestra for their extra effort to make the night such a success. Thank you to all our sponsors who donate awards for the students.

Friday last week was the day for the Quad Schools competition. Congratulations to all our students involved. We won the trophy again. Thank you to the teachers who accompanied the teams to Penrith and James Ruse. Next year the competition will be back at Baulko and Girraween.

Students have been warned about purchasing take away food, either in person or via companies such as Uber Eats. They are to bring their own lunch from home or purchase food from the canteen. Ordering through a third party involves either a stranger delivering food onto the school premises or a student leaving the school to collect food – both scenarios are dangerous and against school expectations.

We are very thankful this year that we have the services of a school counsellor every day. On Monday and Tuesday we have Mr Chong Shao and on Wednesday, Thursday and Friday we have Ms Hannah Johnson. If your child is experiencing emotional or behavioural difficulties, or just needs someone to talk to, please remind them to approach the counsellors.

On the assembly today I took the opportunity to congratulate Mrs Lois Corfield who marked her 30<sup>th</sup> anniversary at Baulko last week. I also had the chance to present a 50 Years' Service certificate to Mr Jeff Fryer who has worked for us for several years. What an amazing contribution to public education!

## P&C News

### Annual General Meeting

The first P&C General Meeting will be held on **Tuesday 26 February, at 7.30pm** in the library. It will be followed by the P&C Annual Election and the new office bearers for 2019 will be elected.

The positions to be elected are:

- President
- 2 Vice Presidents
- Secretary
- Assistant Secretary
- Treasurer
- Assistant Treasurer
- 6 Executive Members
- 6 Committee Members

Please consider joining the P&C Committee and get first- hand involvement in numerous P&C activities such as:

- Multicultural Food Fair
- Working Bee
- Uniform Shop
- Y7 Orientation Day
- Y12 Graduation Morning Tea and more

You will also contribute to policy discussion and decision making such as student welfare and curriculum reviews. P&C 's representatives are invited to participate in the selection process for new staff members of the school, as well as last year's canteen operator's tender review. It will be a fun and fruitful learning experience for everyone. All we ask for is the commitment to attend **2 General Meetings and 2 Executive Meetings every term** (all will be held on Tuesdays at 7:30pm).

### Working Bee

The school's first Working Bee of the year will be held on **Saturday 16 March (9am-1pm)**. It will be followed by a sausage sizzle lunch for everyone. It is a great opportunity to meet other parents and get into the Baulko spirit. Please sign up online at [www.volunteersign.org/LLFHP](http://www.volunteersign.org/LLFHP) or email [bhhspandc@hotmail.com](mailto:bhhspandc@hotmail.com).

Jyothi Sanker, P&C President

"All members of the BHHS community are invited to the BHHS  
P & C Annual General Meeting on  
Tuesday 26 February 7.30pm at school."

## Band News

Amazing Baulko band members! We now have over 300 students enrolled in our band program across our String Ensemble, five bands and Orchestra (which is approx 1 in 4 students). It will be exciting to hear beautiful music from the performances and events planned in the year ahead.

**Band Lockers**- There are only a handful of band lockers remaining. If you require one, complete this form [Band Locker Request](#). Only available for instruments sized between trumpet to trombones. First in best dressed.

**Beginner Band** rehearsals start this Wednesday, 27th in the TLC. No need to bring instruments, just your "Essential Elements for band" book. Arrive at 7:20am to meet your Conductor, Dr Luis Madrid.

It's very exciting to welcome 40 new Beginner band students to our band program. We have enrolled a French horn player and three oboe players!

**Stage band** rehearsals will be held in G14 from now on. Positions are still available for a trombone, trumpet and tenor sax player. It's a great opportunity to join now, these positions have only become available due to Year 12 students leaving. Auditions will be open to Senior or Concert band members. Any interested alto sax players will have use of a tenor sax for rehearsals and performances. Email the band before March 1st.

**Band Camp 3rd to 5th May** Band camp at Vision Valley this year will be held for Beginner and Junior band members only. There are only 70 places available and will be allocated on a first in, first served basis (with accompanying payment). Permission forms will be handed out very soon.

**Euro Tour rehearsals** continue this Wednesday 27th, but there will be NO rehearsal on Wednesday 6th March due to the compulsory rehearsal on Sat 9th 1:00pm to 4:30pm. Students must wear full band uniform and tie for the promotional photo shoot. Euro jacket and polos will be handed out. There will be a final student and parent info meeting held immediately after in the TLC at 4:45pm to 5:30pm. Following this there will be a meeting with accompanying parents on tour.

Jazz ensemble rehearsals continue on Thursday lunchtimes with Mr Mak.

**Rehearsal absences** Thank you to all families who are notifying us of their absences from rehearsals. The rolls are updated to keep an accurate record of attendance. A minimum of 85% attendance is required. Student attendance falling below this (without a valid reason) will not have band listed as an extracurricular activity on their reports. Email the band [bhhsbandcom@gmail.com](mailto:bhhsbandcom@gmail.com) to notify us.

## The Band Committee

## Information Regarding Sport Selections Process Each Term

At Baulkham Hills High School we aim to offer a range of both grade and recreational sports on a Wednesday afternoon so that all students that are participating are able to be involved in an activity that they find engaging and challenging.

Grade sport is where students will trial for a wide variety of sports, in the hope to be selected and represent the school against other schools within our local area.

Recreational sport is for students who are not selected in any grade sport teams, and have the option of choosing from a variety of sports within the local area. We are constantly reviewing the sports that we offer and aim to keep the costs to a minimum. Sports that involve a transport cost are more expensive than venue only or school based sports. We also provide walking as an option which does not involve any costs. One constant question is the high cost of transport – unfortunately buses are quite expensive, and are arranged to best suit our needs. We endeavour to keep this cost as low as possible, but we are restricted by the bus company.

When choosing our sports & venues we are restricted by the numbers that a venue can accommodate or the number that an instructor can safely instruct.

We face some challenges in the number of students who can attend each sport, including; physical space in the school, and also the number of students that are permitted to travel on a bus to and from the venue. Another challenge is that we are restricted by the number of teachers allocated to Wednesday sport each week, due to timetable constraints, as well as ensuring that all activities adhere to strict safety guidelines. As a result our sports do have limited numbers & the most popular sports will fill up quickly and once full become unavailable.

Our recreational sport selections are made online in order to give all students an equal and fair chance at choosing the sport that they would like to enrol in. The server that we use seems to have no issues with the traffic that is involved with hundreds of bookings successfully made in the first couple of minutes after the site opens.

We are looking at opening the site for bookings at 6pm in the future rather than 2:30pm, as they have been previously. With bookings now becoming increasingly made by parents rather than students this may be away that we can alleviate some of the concerns expressed regarding the bookings process.

We also need to ensure that both students and parents understand that for the school to adhere to safety guidelines, each time a student is selected in a sport (either grade or recreational), a permission note must be completed, with up to date medical and contact information to ensure your child's safety is paramount at all times.

For students who wish to stay as up to date as possible with all sports announcements, please enrol in the Sports Google classroom, the code is: **mcdzkg**

Just a friendly reminder that the sports office is located in D Block, NOT the PDHPE staffroom.

If at any time parents or students have a question in relation to sport, please do not hesitate to contact the school.

Regards,

Mr. Filewood

- [NSW Engineering Link Project](#)

3 & 4 October | UTS Sydney

An Engineering Link Project is a two-day event for Year 10, 11 and 12 students who are interested in finding out what engineering REALLY is!

Everyone will participate in two full-day workshops in different engineering disciplines. Each workshop is designed to challenge your creativity, your knowledge of the maths and science you are learning at school, and introduce you to the engineering paradigm.

Professional engineers describe their career and what a day in the life of an engineer is, and present a problem or scenario that has to be solved in teams.

## University Information

- [UCAT Dates 2019](#)

Candidates taking the UCAT in 2019 for entry to universities in Australia and New Zealand in 2020 should note these key dates:

Registration and booking opens	1 March 2019
Concession scheme opens	1 March 2019
Concession deadline	10 May 2019 at 5pm AEST
Access arrangement application deadline	10 May 2019 at 5pm AEST
Registration closes	17 May 2019 at 11:59pm AEST
Final booking deadline	17 May 2019 at 11:59pm AEST
Cancellation deadline	17 May 2019 at 11:59pm AEST
Testing begins	1 July 2019
Last testing date	31 July 2019
Results delivered to universities	Early September 2019

Find out more here – <https://www.ucat.edu.au/ucat-anz/dates-and-fees/>

- [UCAT Free Practice Papers](#)

UCAT has now replaced UMAT as the **admissions test** for entry into medical, dental and clinical science degree programmes in Australia and New Zealand.

The UCAT is a **2 hour computer-based test** that will run throughout **July 2019**. You can download a brochure here – [UCAT Handbook](#)

We also have UCAT guides and a free full-length UCAT practice exam available for download on our website: [www.matrix.edu.au/beginners-guide-to-ucat/part-8-ucat-practice-paper/](http://www.matrix.edu.au/beginners-guide-to-ucat/part-8-ucat-practice-paper/)

Find out about the UCAT Masterclass here – <https://www.matrix.edu.au/ucat-courses/>

- [University Clinical Aptitude Test \(UCAT ANZ\)](#)

The [University Clinical Aptitude Test \(UCAT\)](#) is an admissions test used by the UCAT ANZ Consortium of universities in Australia and New Zealand for their medical, dental and clinical science degree programmes.

The UCAT ANZ test will replace the UMAT (Undergraduate Medicine and Health Sciences Admission Test) from 2019 (for university entry in 2020). The test helps universities to select applicants with the most appropriate abilities and professional behaviours required for new doctors and dentists to be successful in their clinical careers. It is used in collaboration with other admissions processes such as interviews and academic qualifications. It is also an opportunity to stand out from other applicants and demonstrate aptitude for a demanding programme of study. The UCAT ANZ is a computer-based test delivered in Pearson VUE test centres throughout Australia, New Zealand and at some overseas locations. Please note that some pathways to medicine / dentistry / clinical sciences will not require the UCAT. For some applicants a different test may be required. For details candidates should refer to the websites of the universities to which they intend to apply.

Find the dates for 2019 here – <https://www.ucat.edu.au/ucat-anz/dates-and-fees/>

- [UAC admissions opening early](#)

If you're a Year 12 student in NSW, or an interstate student planning on applying in 2020 to a Uni in NSW through [UAC](#), there's some good news.

You can now start the undergraduate admissions process from 9am on 3 April 2019 (in previous years you had to wait until August). So if you know what you want to study and where, you could get your Uni applications done early in the Year, leaving more time to focus on study near to your exams.

You could also take some time now to check with the [NSW Education Standards Authority \(NESA\)](#) that the information they have about you on their database is correct.

Your full and correct name, as well as your correct and current email address are the most important details. It will enable NESA to communicate your results and other important information to you, and save time and stress later down the Uni applications track.

### [ANU – Early Conditional Offers](#)

ANU could make you an early or priority offer of admission based on your Selection Ranks, if you are a talented student, or have varied life experiences. ### **AAA Week Multicultural Fair**

As part of our AAA Week held in week 6 of this term, the Prefects will be holding Multicultural Day during school lunch on the 7th of March.

In order to embrace the spirit of multiculturalism at Baulko, we encourage everyone to bring in food from their culture to be sold to all students and teachers on the day, which will reward the student with merit points!

Sign up sheets will be located outside the history staffroom for those who are interested.

## CLLA Chinese Language School

### 千里(QianLi)中文学校2019年招生通知

We invite you to join our weekend Chinese classes at Baulkham Hills High School. As a DET guided and supported community language school, CLLA (QianLi) hosts language-focused learning activities with sound qualifications and experience. Our current classes are on Saturday and Sunday from 2pm - 4pm. Additional classes can be scheduled for weekend mornings and week-day afternoons. Students are able to enrol at any time throughout the school term.

Contact Ms. Sun at [cllaau9@gmail.com](mailto:cllaau9@gmail.com), or call **0403816959**, WeChat is also available by this number. Our teachers Sun Lao Shi and Du Lao Shi have qualifications in Chinese-BA at Beida北大; Postgraduate Diploma in Education at UMac; Masters of Teaching at UWS; and Community Language Teaching Certificates at UNSW and UWS. They both have over 8 years of teaching experience at universities, community language schools, and pre-schools. All of our volunteers have Working With Children Check.

We would also like to share a message from the Community Languages Schools Program Coordinator: *"Students now have the opportunity to be recognized for their participation in community languages school and be presented with a certificate at their home school. Students in secondary school will have the opportunity for formal recognition of learning a language in community languages schools through the Board of Studies Teaching and Educational Standards (BOSTES) Record of School Achievement (RoSA) for graduating students."*
