From the principal's desk:

The events of last Friday in Christchurch are unspeakable. Our thoughts and condolences are with the victims and relatives of those who died in the Christchurch tragedy. It was most eloquently put by NZ Prime Minister Jacinda Ardern on the victims: "They are us. The person who has perpetrated this violence against us is not".

BHHS SRC had a very busy week, leading the Shave for a Cure charity event and the SRC Trivia Night. 11 students, and one staff member (well done, Mr Iaconis) had their heads shaved. Thanks and congratulations to our SRC student leadership team, and Ms Khan and Mr Mudaliar.

Approximately 50 parents and students braved the elements at the P & C Working Bee last Saturday. Areas worked on included planting out two gardens behind the gymnasium, pruning the Carver Crescent walkway, planting two new trees in the umbrella quad, recycling metal, spreading crushed up

terracotta for a path in the native garden, and touching up paint in the main quad. Thank you to all parents and students who attended. A special thank you to Bunnings and Trade Winds who donated approximately \$1000 worth of plants and soil. A list of volunteers who attended is included later in this newsletter.

Year 9 head into the city for the Urban Challenge excursion on Wednesday. This is an amazing excursion where students work in teams to successfully navigate challenges, manage a budget, and work through a variety of "amazing race" style problems. What To Do When I Am Feeling Sick

- Inform your teacher who will give you a note to report to the clinic. In the case of a more serious injury, have someone notify the Deputy Principal and necessary arrangements will be made for your care.
- You may not enter or leave the Clinic without the Head Teacher Welfare or the Administration Officer entering your name in the Clinic Book.
- When you leave the Clinic you will be given a pass which you should give to your class teacher.
- Your parents will be notified if you are ill so they can collect and take you home as you are normally only allowed to remain in the Clinic for one period.
- All medication, with instructions, must be given to the Head Teacher Welfare.

What Happens If:

I lose property

Check the lost property cupboard located in the Library. To assist with identifying lost property, please ensure that you write your name on all clothing and other personal property that you bring to school. Do not bring valuables to school. The school does not accept responsibility for valuables brought to school.

I do not have the correct equipment for lessons

Bring a note from home and inform your teacher.

I am out of uniform

Bring a note from home and show it to the Deputy Principal before school. Your note will be signed and should be produced on request.

I need to pay money to the Office

Payments can be made before school, at recess and lunchtime (except Friday recess). The student ID card must be presented each time any payments are made.

I lose my Library card

Report the loss immediately to the Library. A new card will be arranged.

P&C News

Working Bee -Thank You

The first working bee of the year took place on Saturday 16 March. It was a wet day, but the drizzle did not deter the Baulko spirit. We had over 60 people turn up on the day and, as a result, we were able to complete all the tasks we set out for. There was a great atmosphere amongst the groups, with encouraging chatter and laughter to be heard. Some parents who were unable to come still sent their home-made cakes and pastries to support the group - we appreciate their kind gestures. I would like to sincerely thank all the students, teachers, parents and siblings who came and helped to spruce up the school grounds and made the environment where our children spend so much time in look great. Many thanks to **Mike Chen** for coordinating and running the working bee.

The next P&C General Meeting will be held on **26 March** (Tuesday), 7:30pm at the library.

Sau Wan Liew

World's Greatest Shave

The World's Greatest Shave is an event that brings awareness to the Leukaemia Foundation, supporting those affected by cancer. This took place in the gym on the 15th of March and was a huge success!! In the morning and at recess, hairspray was done by the Year 9 SRC, and the turnup was amazing. Thank you to everyone who participated and donated a gold coin donation to the foundation. At lunch we had the big shave with the following students shaving: John Van, Y12, Tarini Samarasinghe Y9, Vicki Shen Y12, Alyssa Bui Y9, Jazib Hafeez Y8, Nethmi Sellaheewa Y9, Alex Kim Y12, Kevin Shao Y12, Daniel Han Y12, Michael Li Y8, Charlie Jin Y12 and their reactions were priceless. Our wonderful MCs, Aneel and Myuree, kept the audience entertained as the hairdressers shaved all the weight off the participants shoulders. Family members, friends and teachers were cheering on, and it was truly a meaningful event. Thank you to all the shavers who took part in raising money for this worthy cause.

- Grace Ho, Year 9 SRC

SRC Trivia Night

Trivia Night was an absolute blast. It definitely couldn't have been pulled off without the hard work and planning put in by our SRC coordinators and fellow team members. From an MC's point of view, I personally couldn't have asked for a better experience. We had amazing, vibrant group of participants who contributed to hyping up the night up from the moment the tickets were released to the moment the night ended. I absolutely loved all the renditions of our theme 'childhood memories' that different teams had put together, effectively triggering the release of many happy thoughts to a much better time. All in all, the night ran smoothly and had a tremendous outcome!

Open Days & Info Sessions

UNSW Year 10 Subject Selection Evening

[Wednesday, 10 April](#)

[Thursday, 2 May](#)

[Monday, 20 May](#)

[Wednesday, 22 May](#)

Thinking about uni in the future? This evening is the best place for you to start if you are thinking about attending university in two years' time and are currently a Year 10 student (or you are the parent or teacher of a Year 10 student).

What we'll cover

We will make sure you're familiar with what you'll be doing during HSC subject selection - but also with how your subject selections may affect what adjustment factors (previously known as bonus points) you may be eligible for, what the difference is between assumed knowledge and prerequisites and how the uni admission and scholarships application process works.

Each evening almost always fills to capacity a few weeks before - so register as soon as possible to grab your seats.

Our welcome desk opens at 6pm each evening with all faculties and staff available to answer your questions until the program begins at 6.30pm. Following the program, all faculties and staff are once again available to answer any of your questions.

UNSW Year 12 Medicine Information Evening

20 March | 6:30pm - 9:00pm

If pursuing a career in Medicine is what you've always dreamed of, then make sure you don't miss the Medicine Information Evening.

This evening provides a general overview of the UNSW Medicine degree as well as detailed information on our application and admissions process for 2020 from current staff and students in the Faculty of Medicine. Finally, the evening is a great opportunity for you to ask any questions you may have about what it's like to be a student studying Medicine at UNSW, what the interview process is like, or anything else that may be on your mind.

Like the UNSW Medicine degree, this event is extremely popular and will fill to capacity.

Please register as soon as possible to avoid disappointment.

Please note that demand for this event requires us to limit attendance to only Year 12 students and one parent.

Western Sydney U Day

Wednesday 12 June 2019, Campbelltown Campus

Western Sydney U Day provides the opportunity for senior high school students to experience a day on a Western Sydney University campus. The event will allow high school students to speak with current University students and academic staff, experience the range of courses available at Western Sydney University through interactive workshops and presentations, learn about scholarships, The Academy, pathway programs and further opportunities to pursue their aspirations.

Western Sydney University is still in the process of confirming which Areas of Interest will be available at each Western Sydney U Day event. High School Teachers and Careers Advisers are encouraged to register their details to receive further information about our Western Sydney U Days. We will let you know once the full program is available and ticket bookings are open.

[10 July](#)

[18 July](#)

Do you want to shape future cities to improve people's lives? We'd like to invite you to the Experience UNSW Built Environment Workshops at our Kensington Campus during the April School Holidays. Our free interactive and hands-on Experience UNSW Built Environment Workshops, for students in years 10 -12, incorporate Design, Architecture, Planning and Construction to solve a real-world challenge. The workshop aims to investigate better solutions to enhance the lives of children and elderly living in a city. With the world's population rapidly increasing, there is an urgent need to design cities which are smart, healthy and liveable for both the younger and older population – a challenge that designers, architects and planners are facing today. In our new gallery space and the Design Futures Lab, you will create innovative and practical solutions to this real-world challenge. You will meet current UNSW students who will introduce you to the UNSW Built Environment degrees and show you how you can contribute to shaping the future of our cities. Time: 9am – 4pm. Morning tea and lunch will be provided These workshops are open to students in years 10 – 12 only. Find out more - <https://www.events.unsw.edu.au/event/experience-unsw-built-environment-workshops>

EY Game Changers Club

EY (or Ernst & Young), is a huge financial and tax services company. It's never too early to start exploring which way to take your future, after all great careers can be defined by where they started. As a member of the exclusive Game Changers Club you'll be invited to EY workshops and seminars throughout the year. You'll network with EY people at all levels, work through case studies and gain valuable insights into the work we do. As a Game Changer you'll learn firsthand about:

- doing business locally and internationally
- challenges faced by entrepreneurs, through to the multinationals that we work with
- how to develop business negotiating and influencing skills
- how to secure your vacationer or graduate position

Apply to become part of the 2019 Game Changers Club if you are graduating in 2021 or 2022. You'll be invited to EY workshops and seminars throughout the year.

Applications for current students close 5 April 2019 - **if you're still at school keep the program in mind for when you get to uni.**

[Cadetship opportunities in business, engineering and technology](#)

A cadetship is an effective way of launching your career from the start of university rather than after you graduate. For twelve years, Professional Cadetships Australia (PCA) has provided opportunities for Year 12 students to apply for a cadetship and during that time, **185 cadets** have been placed under our programs. There are two programs: **Business Cadetships** and **Engineering & Technology Cadetships (ETCAD).**

Business Cadets are placed at UBS, a top-ranking global bank, in Sydney.

The Program provides cadets with a wonderful opportunity to launch their business career. Business Cadets can choose from a broad range of university degrees, including Economics, Commerce, Business, Advanced Studies, Social Science, Arts, Computer Science & Technology and Mathematics. Cadets combine study and work throughout their cadetship. UBS has been a part of the program since its inception and continues to place cadets across the firm.

Under this year's ETCAD Program, **Engineering Cadets will again be placed in Sydney with Cubic Transportation Systems**, the world leader in transport payment and traffic management systems. Cadets may choose to study Electrical, Mechanical, Mechatronic, Computer, Software or Industrial Engineering. Alternatively, cadets may undertake a flexible entry Engineering degree. It is also possible to study Science, Computer Science or Information Technology while working at Cubic. Engineering Cadets combine full-time university study with paid work at Cubic over vacation periods.

By studying and working at a leading company from the start of university, cadets earn a competitive advantage over students who delay work until after they have graduated. Compare the outcomes for a university student and a cadet in the table below:

University student	Business or ETCAD Cadet combining study + work
Pays university fees	Receives a secure remuneration package
Learns about the world in theory	Puts theory into real world practice
Is unsure of academic strengths	Discovers at work where strengths lie and tailors degree accordingly
Has limited opportunity to experience the business world	Has unlimited opportunities to experience the world of banking and finance
Does not know what the future holds on graduation	Has a sound understanding of business practices and the competitive edge on graduation

Year 12 students apply online to Professional Cadetships Australia. We run the application process and conduct first-round interviews in order to determine which candidates will be referred to participating companies.

Applications for the Business Cadetships Program open on 4 March and close on 15 May 2019.

Applications for the ETCAD Program open on 29 April and close on 21 June 2019.

Only current Year 12 students can apply for our cadetship programs. It is not possible to apply once you are attending university. So, if you would like to take advantage of these opportunities, make sure you apply by the due deadlines.

Careers

Want to work at the Zoo?

We anticipate employing approximately 50 full time staff and over 100 casual staff. These positions will be in a range of roles including zoo keeping, administrative, landscaping, repairs and maintenance, customer

service, retail, food service, cleaning and assorted other areas. These positions will be available on a mix of full-time, part-time and casual bases and will be a mix of skilled, unskilled, paid and volunteer roles.

Importantly, we will have a number of entry-level, flexible positions for young people seeking to gain experience.

We anticipate that our brand will be widely recognised, and working for us will represent a good entry to the workforce. We will offer opportunities for both internal progression and development at the zoo, and as a credible 'brand name' employer will positively contribute to the CVs of our staff. Sydney Zoo will also be offering job training for its employees as it looks to partner with TAFE in development of a range of Cert III and Cert IV qualifications for its employees.

From their [media release](#): "Sydney Zoo, the first new zoo to be built in Sydney for more than 100 years, is hosting its first jobs fair tomorrow, Tuesday March 12, to provide future employees the opportunity to learn about the Life Sciences roles now available at Sydney Zoo. "Held at Novotel West HQ in Rooty Hill, the inaugural jobs fair is set to attract applicants for full time senior keeper and general keeper roles across Australiana, Reptiles, Elephants & Ungulates, Aquatics, Primates and Carnivores. "Prior to its opening in the second half of 2019, the zoo is looking to onboard a workforce of over 150 jobs across life sciences, zoology, hospitality, maintenance, retail and admin.

The zoo will host its **second jobs fair in late April** to announce additional casual and full time roles in the hospitality sector."

Sydney Theatre Company Work Experience

Mon 7 – Fri 11 Oct | 9am – 4pm | Fox Studios | Moore Park

Applications open Mon 22 Apr 2019

Applications close Fri 26 Jul 2019

Twenty-five Drama students in Years 10 and 11 from across NSW have the opportunity to participate in our immersive, interactive Work Experience Week.

Work Experience Week enables students to explore many facets of STC and gain a broad understanding of the workings of a theatre company. Each day focuses on a different STC department, including programming, direction, set and costume design, marketing and corporate sponsorship. Working in groups, students complete activities in the roles of different creatives and STC staff, and present their ideas in informal presentations. Students participate in tours, panel discussions, workshops and activities run by STC staff and creatives.

STC offers a regional scholarship, covering the cost of travel and accommodation up to \$1500, to enable a student from regional NSW to participate.

The program endeavours to inspire a love and appreciation of the theatre-making process, as well as foster the next generation of arts industry professionals. We strongly encourage students who are Aboriginal and/or Torres Strait Islander, from culturally and linguistically diverse backgrounds, and those with disabilities to apply.

For more information, contact workexperience@sydneytheatre.com.au

Sydney Opera House | Work Experience

Term 3 dates: 19-23 August (deadline for applications is 21 July).

Term 4 dates: 4-8 November (deadline for applications is 6 October).

The Opera House is committed to providing artistic, cultural, educational and employment opportunities that build capacity and understanding. The Opera House believes creating these opportunities is essential to nurture the next generation of artists, audiences and visitors.

Our work experience program takes place twice a year and is open to secondary school students who are ideally studying in Year 10. The program lasts a week and gives participants a hands-on experience of how the Opera House operates during the program hours of 9.30am – 3.30pm, Monday to Friday.

Participants will meet and work alongside a diverse range of Opera House employees from Ticketing Sales Representatives to Stage Managers to Building Operations Supervisors. We are one of the world's busiest performing arts venues and the experiences we offer will vary between programs depending on what is happening at the time.

Student Wellbeing: *Tell Them From Me* student feedback survey (Term 1, 2019)

I am delighted that this term, our school, like many other public schools in the state, will participate in a Department of Education initiative: the *Tell Them From Me* student feedback survey. The survey measures factors that are known to affect academic achievement and other student outcomes. The focus of the NSW-wide survey is on student wellbeing, engagement and effective teaching practices.

More information about the survey is available at: <http://surveys.cese.nsw.gov.au>

The survey is a great opportunity for our students to provide us with valuable and quick feedback on what they think about school life, how engaged they are with school and the different ways that teachers interact with them. More than 6,300 schools in Australia and around the world have used *Tell Them From Me* to survey 5.4 million students. Capturing the voices of our students will help improve how we do things at our school.

I want to assure you that the survey is confidential. The survey is conducted online and will typically take less than 30 minutes to complete. It will be administered during school hours between 11 March and 12 April. Participating in the survey is entirely voluntary.

A consent form and FAQs for parents/carers about the survey can be read below. If you **do not** want your child or children to participate, please return the form to the front office by **21/3/19**. Copies of the form and FAQs are available from: <http://surveys.cese.nsw.gov.au/information-for-parents>.

The consent form and FAQs are available in 23 languages.

If you have any questions, please do not hesitate to contact me. Your support of this initiative is greatly appreciated!

Kindest Regards,

Ms Terryanne Fletcher

Tell Them From Me student survey: Information and consent form for parents and carers

Dear Parents and Carers

In Term 1 2019, our school is taking part in the *Tell Them From Me* student survey. The survey will provide us with valuable feedback on what our students think about school life, how engaged they are with school and the different ways that teachers interact with them. Schools in Australia and around the world have used the *Tell Them From Me* survey to help them improve. The survey is completed on-line and is run by an independent research company, **The Learning Bar**, which specialises in school-based surveys.

Staff in schools will **not** be able to identify individual students from their responses. To ensure confidentiality, participating students will receive a unique username and password. Where fewer than five students respond to a question, the results will be suppressed. The survey typically takes 30 minutes or less to complete and will be administered by the school during normal school hours. Once the surveys are completed by students, reports are prepared and in most cases are available to schools within three business days.

As well as schools getting student feedback, the Department of Education, through the Centre for Education Statistics and Evaluation (CESE), has access to data from across NSW and is running a research project to look at state-wide patterns of student wellbeing, engagement and effective teaching practices. The research is looking at how these things impact on student outcomes, including academic performance. Individual students will **not** be identified in any CESE publications, and all information will be handled in accordance with the relevant privacy legislation. Students' personal information will not be disclosed by the department to any other person or body other than as required by law.

This research will help schools in New South Wales to better understand how to improve student wellbeing and engagement. It will also help teachers and principals discuss what works to improve student outcomes.

Participating in the survey is entirely voluntary. Your child will not take part if either you or your child do not wish. If, during the survey, your child is uncomfortable, he/she can choose to stop the survey at any time. The majority of questions in the survey can be skipped.

If you **do not want your child to take part** in the survey, please complete the attached form and return it to the front office by Thursday 21st March, 2019.

More information about the survey and the research is available in English on the CESE website:

NSW SCHOOL VACCINATION PROGRAM – SCHOOL NEWSLETTER TO PARENTS/GUARDIANS

Each year NSW Health works in partnership with schools to offer the vaccines recommended by the National Health and Medical Research Council (NHMRC) for adolescents as part of the school vaccination program.

In 2019 the following vaccines will be offered:

YEARS	VACCINE	NUMBER OF DOSES
Year 7	Human papillomavirus (HPV) vaccine	2-doses at least 6 months apart
	Diphtheria-Tetanus-Pertussis (whooping cough) vaccine	Single dose
Year 10	Meningococcal ACWY vaccine	Single dose

Parent Information Kits that include an information sheet, consent form and privacy statement will be sent home to you by your child's school. To consent to the vaccination of your child, parents/guardians are advised to:

- read all the information provided;
- complete the consent form, including signing your name next to each of the vaccine/s you would like your child to receive;
- return the completed consent form to your child's school;
- ensure that your child eats breakfast on the day of the school vaccination clinic.

Parents/guardians who wish to withdraw consent for any reason may do so by writing to the school Principal or phone the school. The Procedure for Withdrawal of Consent is available on the NSW Health website at www.health.nsw.gov.au/immunisation.

To improve vaccination completion, students will be opportunistically offered any missed vaccine/s throughout the year where possible.

Please note that students who commence the HPV vaccination in school clinics in Year 7 but do not complete the course during the school year may be offered a catch-up dose at school in Year 8. Students who have their first HPV dose at their GP will be advised to complete the course with their GP.

A Record of Vaccination will be provided to each student vaccinated at each clinic. You should ensure that this record is kept for future reference. Please do not assume that your child has been vaccinated if you do not receive this Record of Vaccination. Vaccination records will be uploaded to the Australian Immunisation Register (AIR) to provide a complete immunisation history for your child.
