School is more than academics. Our aim as an institute of public education is to ensure the wellbeing of the whole child. Part of this is that all students learn key values – these include Integrity, Excellence, Respect, Responsibility, Cooperation, Participation, Care, Fairness, Democracy. (For further information, see

<https://education.nsw.gov.au/policy-library/policies/values-in-nsw-public-schools> )

We are indeed blessed to live and work in a country where differences and backgrounds of all types are celebrated. As we continue to reflect upon the events of Christchurch, let us always be reminded to be thankful for where we live, work and are educated. Baulkham Hills High is a school where every student is valued and supported. Every day's a great day at Baulko because of our staff and students.

**Wayne Humphreys**  
Relieving Principal

### Baulko News

#### This week...

- Year 9 have returned from their Urban Challenge excursion. Congratulations to our students, and thank you to all staff who gave up time, and walked many kilometres, in support of Year 9.
- Students will complete the annual "Tell Them From Me" Survey. Families are also encouraged to complete this survey – it informs decisions the school makes in future planning for students.
- Students in Years 9, 10 and 11 will work on study skills in the Elevate Program.
- Year 7 students will receive vaccinations.
- The annual Cross Country will be held on Wednesday 27 March. Many students have been intensively preparing for this event – all students are encouraged to participate and do their best.
- The next P & C Meeting will be held on Tuesday 26 March at 7:30 pm in the school library – all parents and carers are invited and welcome to attend.
- The refurbishment of two of our Science labs continues. The work is on schedule, and the two labs are planned to reopen to classes at the start of Term 2.
- Over the next couple of weeks a special "draw" will be held for those students who have achieved 100% attendance so far this year.

#### **Mr Humphreys** **Relieving Principal**

#### What Happens If:

##### *I lose my printer/photocopy card*

Purchase a new card from the Office at a cost of \$10.00.

##### *I am unable to participate in sport*

If you are too sick to take part in sport, you must bring a note signed by your parent or guardian to Reception before Roll Call on Wednesday. If the reason is accepted by the Principal, you will be permitted to study in the non-sport room. If medical appointments have been made, the appointment card should accompany the note. All notes are confidential and should provide the detail required to determine if your reason for missing sport is acceptable. Students are not permitted to miss sport in order to study.

##### *I have medication to take while at school*

Inform the Head Teacher Welfare.

## P&C News

### Working Bee Egg Sales -Thank You

Thank you for everyone who supported the P&C egg sales last week, we raised \$534 on the day. Special thanks to **Doreen Liu** for organising the Egg Sales, and **Winnie Zhao, Helen Chen** and **Hong Chen** for helping on the day. They came early on the wet Saturday morning to accept the delivery from the farm and guarded the eggs like Mother Hens till they were safely passed to their buyers. Thank you. ☺

### General Meeting

The P&C's next General Meeting is this Tuesday, 26<sup>th</sup> March at 7.30 pm at the School Library. We would like to invite all parents to attend the P&C Meeting. Mrs Fletcher, Head Teacher Wellbeing will be speaking about the new merit system.

Sau Wan Liew  
P&C President

## Year 10 Food Technology "Cake Mix Design Brief"

Year 10 Food Technology created some Cake mixes for the unit they are studying currently 'New Food Product Development'. Students were required to create a cake mix box as well as a dry mix for inside the box. On Practical day students were expected to make their cake mixes in class and present them ready for taste testing. The cakes that were presented as a part of this practical exam exceeded my expectations. Year 10 were able to create cupcakes that were totally new. I am proud of the effort they put in and look forward to their creations in further Food Technology units.

Mrs Parnell  
Food Technology Teacher

### NSW Junior Athletics Championships

### Open Days & Info Sessions

#### UNSW Year 10 Subject Selection Evening

[Wednesday, 10 April](#)

[Thursday, 2 May](#)

[Monday, 20 May](#)

[Wednesday, 22 May](#)

Thinking about uni in the future? This evening is the best place for you to start if you are thinking about attending university in two years' time and are currently a Year 10 student (or you are the parent or teacher of a Year 10 student).

What we'll cover

We will make sure you're familiar with what you'll be doing during HSC subject selection - but also with how your subject selections may affect what adjustment factors (previously known as bonus points) you may be eligible for, what the difference is between assumed knowledge and prerequisites and how the uni admission and scholarships application process works.

Each evening almost always fills to capacity a few weeks before - so register as soon as possible to grab your seats.

Our welcome desk opens at 6pm each evening with all faculties and staff available to answer your questions until the program begins at 6.30pm. Following the program, all faculties and staff are once again available to answer any of your questions.

#### UNSW Year 12 Medicine Information Evening

20 March | 6:30pm - 9:00pm

If pursuing a career in Medicine is what you've always dreamed of, then make sure you don't miss the Medicine Information Evening.

This evening provides a general overview of the UNSW Medicine degree as well as detailed information on our application and admissions process for 2020 from current staff and students in the Faculty of Medicine. Finally, the evening is a great opportunity for you to ask any questions you may have about what it's like to be a student studying Medicine at UNSW, what the interview process is like, or anything else that may be on your mind.

Like the UNSW Medicine degree, this event is extremely popular and will fill to capacity.

Please register as soon as possible to avoid disappointment.

Please note that demand for this event requires us to limit attendance to only Year 12 students and one parent.

### Macquarie Uni Year 12 Information Evening

Wednesday 26 June | 5.30pm - 8pm | Macquarie Uni City Campus

We'll take you through our early entry program, courses, scholarships, pathway options and give you the opportunity to speak one-on-one with course advisers.

Parents are encouraged to attend.

Register expression of interest at: [mq.edu.au/study/high-school-students/events](http://mq.edu.au/study/high-school-students/events)

### Macquarie Uni | Year 10 Subject Selection Evening

Tuesday 7 May | 5.30pm - 8pm | Macquarie University

Find out about how subjects for the HSC can impact university studies. We'll address adjustment factors, assumed knowledge, university admission and scholarship processes. Register expression of interest at: [mq.edu.au/study/high-school-students/events](http://mq.edu.au/study/high-school-students/events)

### Macquarie Uni | Year 12 Information Evening

Wednesday 1 May | 5.30pm - 8pm | Macquarie University campus

We'll take you through our early entry program, courses, scholarships, pathway options and give you the opportunity to speak one-on-one with course advisers.

Parents are encouraged to attend.

Register for expression of interest at [mq.edu.au/study/high-school-students/events](http://mq.edu.au/study/high-school-students/events)

13 June 2019 | Parramatta South Campus - Building EA

[REGISTER YOUR INTEREST](#)

The Parent Information Evening at Western Sydney University provides parents, guardians and students a chance to find out everything they need to know about university. From discovering the way the ATAR works to speaking with Western Sydney University staff and students one-on-one to learn about the opportunities available for your child, the Parent Information Evening is a great introduction to the exciting journey ahead. Learn more about university and campus life, Western Sydney University courses, admission, early entry programs and scholarships. The evening will include formal presentations as well as an informal advising market, where you will have the opportunity to speak to staff about courses and programs.

### Western Sydney U Day

Wednesday 12 June 2019, Campbelltown Campus

Western Sydney U Day provides the opportunity for senior high school students to experience a day on a Western Sydney University campus. The event will allow high school students to speak with current University students and academic staff, experience the range of courses available at Western Sydney University through interactive workshops and presentations, learn about scholarships, The Academy, pathway programs and further opportunities to pursue their aspirations.

Western Sydney University is still in the process of confirming which Areas of Interest will be available at each Western Sydney U Day event. High School Teachers and Careers Advisers are encouraged to register their details to receive further information about our Western Sydney U Days. We will let you know once the full program is available and ticket bookings are open.

[18 April](#)

[10 July](#)

[18 July](#)

Do you want to shape future cities to improve people's lives? We'd like to invite you to the Experience UNSW Built Environment Workshops at our Kensington Campus during the April School Holidays. Our free interactive and hands-on Experience UNSW Built Environment Workshops, for students in years 10 -12, incorporate Design, Architecture, Planning and Construction to solve a real-world challenge. The workshop aims to investigate better solutions to enhance the lives of children and elderly living in a city. With the world's population rapidly increasing, there is an urgent need to design cities which are smart, healthy and liveable for both the younger and older population – a challenge that designers, architects and planners are facing today. In our new gallery space and the Design Futures Lab, you will create innovative and practical solutions to this real-world challenge. You will meet current UNSW students who will introduce you to the UNSW Built Environment degrees and show you how you can contribute to shaping the future of our cities. Time: 9am – 4pm. Morning tea and lunch will be provided. These workshops are open to students in years 10 – 12 only. Find out more - <https://www.events.unsw.edu.au/event/experience-unsw-built-environment-workshops>

### EY Game Changers Club

EY (or Ernst & Young), is a huge financial and tax services company. It's never too early to start exploring which way to take your future, after all great careers can be defined by where they started. As a member of the exclusive Game Changers Club you'll be invited to EY workshops and seminars throughout the year. You'll network with EY people at all levels, work through case studies and gain valuable insights into the work we do. As a Game Changer you'll learn firsthand about:

- doing business locally and internationally
- challenges faced by entrepreneurs, through to the multinationals that we work with
- how to develop business negotiating and influencing skills
- how to secure your vacationer or graduate position

Apply to become part of the 2019 Game Changers Club if you are graduating in 2021 or 2022. You'll be invited to EY workshops and seminars throughout the year.

Applications for current students close 5 April 2019 - **if you're still at school keep the program in mind for when you get to uni.**

### NAB REGIONAL & AGRIBUSINESS TRAINEE PROGRAM

For those about to complete a degree in Business, Economics, Agribusiness or Commerce. School Students - keep this program in mind for your own future.

The aim of our Regional and Agribusiness Traineeship Program is to train up and develop recent graduates, by giving them a first class experiencing which will set them up for success moving into an Associate role within the team. If successful you'll be working closely with our high performing Regional Bankers and Agribusiness Bankers in regional areas of Australia - you will initially be provided with a structured learning and development program and one-on-one mentoring with a past trainee.

Applications close [22 March 2019 for the May 2019](#) intake. Applications for the NAB Regional & Agribusiness Trainee Program are open several times throughout the year. To see if we are recruiting now, please visit our [Job Centre](#).

## Scholarships & Competitions

### Tuckwell Scholarship Program Closing Date

Applications for the Tuckwell Scholarship Program for study at the ANU in 2020 are now open, and close for Candidates at **3:00PM AEST Thursday 28 March, 2019.**

Applying for a Tuckwell Scholarship is a three-stage process which commences with an initial application from yourself and a recommendation from your school teacher. Shortlisted applicants will complete a more detailed application in stage two (including a recommendation from your school Principal) and final candidates will be interviewed during July for stage three. Read more [here](#)

### [Cadetship opportunities in business, engineering and technology](#)

A cadetship is an effective way of launching your career from the start of university rather than after you graduate. For twelve years, Professional Cadetships Australia (PCA) has provided opportunities for Year 12 students to apply for a cadetship and during that time, **185 cadets** have been placed under our programs. There are two programs: **Business Cadetships** and **Engineering & Technology Cadetships (ETCAD).**

### **Business Cadets are placed at UBS, a top-ranking global bank, in Sydney.**

The Program provides cadets with a wonderful opportunity to launch their business career. Business Cadets can choose from a broad range of university degrees, including Economics, Commerce, Business, Advanced Studies, Social Science, Arts, Computer Science & Technology and Mathematics. Cadets combine study and work throughout their cadetship. UBS has been a part of the program since its inception and continues to place cadets across the firm.

Under this year's ETCAD Program, **Engineering Cadets will again be placed in Sydney with Cubic Transportation Systems**, the world leader in transport payment and traffic management systems. Cadets may choose to study Electrical, Mechanical, Mechatronic, Computer, Software or Industrial Engineering. Alternatively, cadets may undertake a flexible entry Engineering degree. It is also possible to study Science, Computer Science or Information Technology while working at Cubic. Engineering Cadets combine full-time university study with paid work at Cubic over vacation periods.

By studying and working at a leading company from the start of university, cadets earn a competitive advantage over students who delay work until after they have graduated. Compare the outcomes for a university student and a cadet in the table below:

<b>University student</b>	<b>Business or ETCAD Cadet combining study + work</b>
Pays university fees	Receives a secure remuneration package
Learns about the world in theory	Puts theory into real world practice
Is unsure of academic strengths	Discovers at work where strengths lie and tailors degree accordingly
Has limited opportunity to experience the business world	Has unlimited opportunities to experience the world of banking and finance
Does not know what the future holds on graduation	Has a sound understanding of business practices and the competitive edge on graduation

Year 12 students apply online to Professional Cadetships Australia. We run the application process and conduct first-round interviews in order to determine which candidates will be referred to participating companies.

Applications for the Business Cadetships Program open on 4 March and close on 15 May 2019.

Applications for the ETCAD Program open on 29 April and close on 21 June 2019.

Only current Year 12 students can apply for our cadetship programs. It is not possible to apply once you are attending university. So, if you would like to take advantage of these opportunities, make sure you apply by the due deadlines.

## Careers

### **Want to work at the Zoo?**

We anticipate employing approximately 50 full time staff and over 100 casual staff. These positions will be in a range of roles including zoo keeping, administrative, landscaping, repairs and maintenance, customer

service, retail, food service, cleaning and assorted other areas. These positions will be available on a mix of full-time, part-time and casual bases and will be a mix of skilled, unskilled, paid and volunteer roles.

**Importantly, we will have a number of entry-level, flexible positions for young people seeking to gain experience.**

We anticipate that our brand will be widely recognised, and working for us will represent a good entry to the workforce. We will offer opportunities for both internal progression and development at the zoo, and as a credible 'brand name' employer will positively contribute to the CVs of our staff. Sydney Zoo will also be offering job training for its employees as it looks to partner with TAFE in development of a range of Cert III and Cert IV qualifications for its employees.

From their [media release](#): "Sydney Zoo, the first new zoo to be built in Sydney for more than 100 years, is hosting its first jobs fair tomorrow, Tuesday March 12, to provide future employees the opportunity to learn about the Life Sciences roles now available at Sydney Zoo. "Held at Novotel West HQ in Rooty Hill, the inaugural jobs fair is set to attract applicants for full time senior keeper and general keeper roles across Australiana, Reptiles, Elephants & Ungulates, Aquatics, Primates and Carnivores. "Prior to its opening in the second half of 2019, the zoo is looking to onboard a workforce of over 150 jobs across life sciences, zoology, hospitality, maintenance, retail and admin.

The zoo will host its **second jobs fair in late April** to announce additional casual and full time roles in the hospitality sector."

## Work Experience

### [Year 10 Engineering Work Experience](#)

UNSW CVEN is interested in receiving applications from Careers Advisers for students who are self-motivated, reliable, punctual, and who have a strong mathematical ability. Importantly, students must have an interest in pursuing a career in engineering.

You can watch a short video about the UNSW Civil and Environmental Engineering Year 10 Work Experience program.

If you're interested to learn more, or apply, the details are on this [link](#).

Selected students and their Careers Advisers/Teachers receive email confirmation with full details, and are required to sign the current version in the Employer section of the Student Placement Record. **School Careers Advisers/Teachers, please contact Tricia Tesoriero [via email](#).**

### [Australian Museum Work Experience](#)

This work experience program offers high school students the chance to explore a variety of careers including science and cultural research, education, public programming, curatorial and exhibition design, marketing, communications and corporate services.

The program is available for students in years 10, 11 and 12

- Applications open – Monday 4 March 2019
- Applications close – Friday 5 April 2019

Placements will be available in Term 2, 3 and 4 and all successful applicants for 2019 will be notified from 29 April. Each placement is limited to 5 days (Monday to Friday) working 10am to 4pm each day.

[Contact](#) them for details on how to apply.

### [Bell Shakespeare Work Experience Week](#)

Applications open 6 May & close 8 July, 5pm

### **WORK EXPERIENCE WEEK: 4-8 November**

Students in Year 10 and 11 are invited to apply for one week of Work Experience at Bell Shakespeare HQ in Sydney from 4-8 November 2019.

Twelve students from around Australia will be selected to join the Company and go behind the scenes to discover how a working theatre company operates. Meet our team and learn about production, casting, design, rehearsals, marketing, box office, fundraising, education and administration.

Entry by application. **Students in regional/interstate schools are encouraged to apply, however Bell Shakespeare is unable to cover travel and accommodation costs.**

Find out more – <https://www.bellshakespeare.com.au/learning/scholarships/work-experience/>

### **Sydney Theatre Company Work Experience**

Mon 7 – Fri 11 Oct | 9am – 4pm | Fox Studios | Moore Park

**Applications open** Mon 22 Apr 2019

**Applications close** Fri 26 Jul 2019

Twenty-five Drama students in Years 10 and 11 from across NSW have the opportunity to participate in our immersive, interactive Work Experience Week.

Work Experience Week enables students to explore many facets of STC and gain a broad understanding of the workings of a theatre company. Each day focuses on a different STC department, including programming, direction, set and costume design, marketing and corporate sponsorship. Working in groups, students complete activities in the roles of different creatives and STC staff, and present their ideas in informal presentations. Students participate in tours, panel discussions, workshops and activities run by STC staff and creatives.

STC offers a regional scholarship, covering the cost of travel and accommodation up to \$1500, to enable a student from regional NSW to participate.

The program endeavours to inspire a love and appreciation of the theatre-making process, as well as foster the next generation of arts industry professionals. We strongly encourage students who are Aboriginal and/or Torres Strait Islander, from culturally and linguistically diverse backgrounds, and those with disabilities to apply.

### **Sydney Opera House | Work Experience**

Term 3 dates: 19-23 August (deadline for applications is 21 July).

Term 4 dates: 4-8 November (deadline for applications is 6 October).

The Opera House is committed to providing artistic, cultural, educational and employment opportunities that build capacity and understanding. The Opera House believes creating these opportunities is essential to nurture the next generation of artists, audiences and visitors.

Our work experience program takes place twice a year and is open to secondary school students who are ideally studying in Year 10. The program lasts a week and gives participants a hands-on experience of how the Opera House operates during the program hours of 9.30am – 3.30pm, Monday to Friday.

Participants will meet and work alongside a diverse range of Opera House employees from Ticketing Sales Representatives to Stage Managers to Building Operations Supervisors. We are one of the world's busiest performing arts venues and the experiences we offer will vary between programs depending on what is happening at the time.

### NSW SCHOOL VACCINATION PROGRAM – SCHOOL NEWSLETTER TO PARENTS/GUARDIANS

Each year NSW Health works in partnership with schools to offer the vaccines recommended by the National Health and Medical Research Council (NHMRC) for adolescents as part of the school vaccination program.

In 2019 the following vaccines will be offered:

YEARS	VACCINE	NUMBER OF DOSES
Year 7	Human papillomavirus (HPV) vaccine	2-doses at least 6 months apart
	Diphtheria-Tetanus-Pertussis (whooping cough) vaccine	Single dose
Year 10	Meningococcal ACWY vaccine	Single dose

Parent Information Kits that include an information sheet, consent form and privacy statement will be sent home to you by your child's school. To consent to the vaccination of your child, parents/guardians are advised to:

- read all the information provided;
- complete the consent form, including signing your name next to each of the vaccine/s you would like your child to receive;
- return the completed consent form to your child's school;
- ensure that your child eats breakfast on the day of the school vaccination clinic.

Parents/guardians who wish to withdraw consent for any reason may do so by writing to the school Principal or phone the school. The Procedure for Withdrawal of Consent is available on the NSW Health website at [www.health.nsw.gov.au/immunisation](http://www.health.nsw.gov.au/immunisation).

To improve vaccination completion, students will be opportunistically offered any missed vaccine/s throughout the year where possible.

Please note that students who commence the HPV vaccination in school clinics in Year 7 but do not complete the course during the school year may be offered a catch-up dose at school in Year 8. Students who have their first HPV dose at their GP will be advised to complete the course with their GP.

A Record of Vaccination will be provided to each student vaccinated at each clinic. You should ensure that this record is kept for future reference. Please do not assume that your child has been vaccinated if you do not receive this Record of Vaccination. Vaccination records will be uploaded to the Australian Immunisation Register (AIR) to provide a complete immunisation history for your child.
