From the principal's desk:

Congratulations to all who were involved in the Triple AAA Week last week. It was a areat success with lots of activities and increased awareness of the diversity of our school population. We had speakers and Q&A sessions as well as activities such as playing handball with Support unit students. It was great to see so many students wearing their national dress with pride on Thursday and selling their traditional food.

Today we launch the National Day of Action Against Bullying. This is a school wide event which will involve all students at recess and lunch.

On Thursday we will host the Selective Schools Test for Year 6 students hoping to enter our school in 2020. The traffic will be very busy in the bus bay in the morning so parents need to keep an eye out for lots of visitors.

On Thursday night the SRC are hosting their annual Trivia Night. It is already a full house with lots of enthusiastic teams

Absences

- If you are absent, you are required to bring a note signed and dated by your parent or guardian within 7 days to explain your absence upon your return to school (Parents can now make use of the school app to send absence notes to the office).
- In the event of a prolonged absence, your parent or guardian should notify the school after three days.
- If you know you are going to be absent, bring a note in advance to the Rolls Office.
- If a student is marked absent from roll call, an automated system will notify parents via SMS. If you are unaware of your child's absence, please telephone the school immediately. It is important that the student's name is marked off in roll call otherwise an incorrect message may be sent.
- A computer record of each student's attendance is retained and letters are sent out when students fail to bring notes. A record of unexplained absences and late days may produce an unsatisfactory record for the School Certificate or Higher School Certificate.

Late to School

- If you arrive late you must report to the Rolls Office where you will need to scan your ID card to receive a late slip, part of which you will take home for a parent signature or bring a note/medical certificate with you to give to Office Staff.
- You will not be admitted to class without a late slip.

Need to Leave the School Grounds during or before the end of the day

 Students who need to leave school early for an unavoidable appointment must present a note signed by the parent/guardian, to the Rolls Office BEFORE ROLL CALL. You will then need to scan your ID card to receive your Early Leaver Slip and place it in the tray at the Rolls Office for collection at time of departure. Students are not to miss school for external exams such as music and ballet. These must be arranged for weekends.

Band camp permission forms for Beginner and Junior band are <u>due this Friday 15th March</u>. All completed forms are to be handed into the front office, whether you are paying online or at the office. Spare forms are available from the band locker room if you have not yet received one (look on top of the filing cabinet in clear holder). Spots are filling fast and we can only take a maximum of 74 students. We need to accept on a first come basis with accompanying payment. This camp will include small group tutorials as well as intensive rehearsals and conclude with a concert performance for families on the Sunday.

Instrument storage in band locker room. Students please ensure you place instruments neatly against the wall so as not to cause a trip hazard. This area is only for instruments too large to fit in a locker. If you have a sax, trombone or trumpet, this should be kept in a band locker. There are a handful left, to request one, complete this link <u>Band Locker request</u>. There is no charge but you must bring your own lock. We do not have sufficient lockers for everyone, please see if you can share one with a friend.

Cadetship opportunities in business, engineering and technology

A cadetship is an effective way of launching your career from the start of university rather than after you graduate. For twelve years, Professional Cadetships Australia (PCA) has provided opportunities for Year 12 students to apply for a cadetship and during that time, **185 cadets** have been placed under our programs. There are two programs: **Business Cadetships** and **Engineering & Technology Cadetships** (ETCAD).

Business Cadets are placed at UBS, a top-ranking global bank, in Sydney.

The Program provides cadets with a wonderful opportunity to launch their business career. Business Cadets can choose from a broad range of university degrees, including Economics, Commerce, Business, Advanced Studies, Social Science, Arts, Computer Science & Technology and Mathematics. Cadets combine study and work throughout their cadetship. UBS has been a part of the program since its inception and continues to place cadets across the firm.

Under this year's ETCAD Program, Engineering Cadets will again be placed in Sydney with Cubic

Transportation Systems, the world leader in transport payment and traffic management systems. Cadets may choose to study Electrical, Mechanical, Mechatronic, Computer, Software or Industrial Engineering. Alternatively, cadets may undertake a flexible entry Engineering degree. It is also possible to study Science, Computer Science or Information Technology while working at Cubic. Engineering Cadets combine full-time university study with paid work at Cubic over vacation periods.

By studying and working at a leading company from the start of university, cadets earn a competitive advantage over students who delay work until after they have graduated. Compare the outcomes for a university student and a cadet in the table below:

University student	Business or ETCAD Cadet combining study + work
Pays university fees	Receives a secure remuneration package

Learns about the world in theory	Puts theory into real world practice
Is unsure of academic strengths	Discovers at work where strengths lie and tailors degree accordingly
Has limited opportunity to experience the business world	Has unlimited opportunities to experience the world of banking and finance
Does not know what the future holds on graduation	Has a sound understanding of business practices and the competitive edge on graduation

Year 12 students apply online to Professional Cadetships Australia. We run the application process and conduct first-round interviews in order to determine which candidates will be referred to participating companies.

Applications for the Business Cadetships Program open on 4 March and close on 15 May 2019.

Applications for the ETCAD Program open on 29 April and close on 21 June 2019.

Only current Year 12 students can apply for our cadetship programs. It is not possible to apply once you are attending university. So, if you would like to take advantage of these opportunities, make sure you apply by the due deadlines.

NSW SCHOOL VACCINATION PROGRAM - SCHOOL NEWSLETTER TO PARENTS/GUARDIANS

Each year NSW Health works in partnership with schools to offer the vaccines recommended by the National Health and Medical Research Council (NHMRC) for adolescents as part of the school vaccination program.

In 2019 the following vaccines will be offered:

YEARS	VACCINE	NUMBER OF DOSES
Year 7	Human papillomavirus (HPV) vaccine	2-doses at least 6 months apart
	Diphtheria-Tetanus-Pertussis (whooping cough) vaccine	Single dose
Year 10	Meningococcal ACWY vaccine	Single dose

Parent Information Kits that include an information sheet, consent form and privacy statement will be sent home to you by your child's school. To consent to the vaccination of your child, parents/guardians are advised to:

- read all the information provided;
- complete the consent form, including signing your name next to each of the vaccine/s you would like your child to receive;
- return the completed consent form to your child's school;
- ensure that your child eats breakfast on the day of the school vaccination clinic.

Parents/guardians who wish to withdraw consent for any reason may do so by writing to the school Principal or phone the school. The Procedure for Withdrawal of Consent is available on the NSW Health website at www.health.nsw.gov.au/immunisation.

To improve vaccination completion, students will be opportunistically offered any missed vaccine/s throughout the year where possible.

Please note that students who commence the HPV vaccination in school clinics in Year 7 but do not complete the course during the school year may be offered a catch-up dose at school in Year 8. Students who have their first HPV dose at their GP will be advised to complete the course with their GP.

A Record of Vaccination will be provided to each student vaccinated at each clinic. You should ensure that this record is kept for future reference. Please do not assume that your child has been vaccinated if you do not receive this Record of Vaccination. Vaccination records will be uploaded to the Australian Immunisation Register (AIR) to provide a complete immunisation history for your child.

Young Women's Leadership Day

On Thursday 7 March, Tina Tony and I attended the annual Year 11 Young Women's Leadership Seminar at the NSW Parliament House. In celebration of International Women's Day 2019, the seminar introduced us to many women leaders. We listened to inspiring stories of two female MPs and their journey in becoming leaders as well as the stories of three women who work in the Parliament House itself. Overall, it was an incredibly rewarding opportunity and the advice given to us was very helpful. I would like to thank Ms Daher for organising this wonderful event for us!
