From the principal's desk:

Welcome to Triple AAA Week, a prefect initiative which highlights acceptance, awareness and anti-discrimination. There are activities every day at lunchtime and recess. Students are encouraged to get involved. Thursday will be our multicultural day and students are welcome to wear their national dress but must adhere to rules associated with proper footwear for practical subjects.

A reminder to all students studying music outside of school – if you are planning to sit for AMEB exams or similar it is essential that you get your teacher to organise these exams out of school time. That is, on the weekends or during school holidays. Students will not be released from school to complete these examinations.

Students were reminded today about giving up their seats to older passengers when using public transport. When they are wearing our school uniform their behaviour

P&C News

Executive for 2019

The P&C has elected new Office Bearers, Executives and Committee members for the P&C committee for 2019.

2019 P&C Office Bearers, Executive and Committee Members

President: Sau Wan Liew

Vice President 1: Kevin Lewis

Vice President 2: Doreen Liu

Secretary: Raymund Wong

Assistant Secretary: Murthy Chennapragada

Treasurer: Helen Yu

Assistant Treasurer: Kristine Lee

Committee members: Nagaraj Nanjundaiah, Adam Moy, Mike Chen, Ria Mizan, Dan Rupasinghe, Jane Hou, Louise Liu, Niraj Shresta, Judy Ji. Gayathiri Suhendran and Teranun Charoensri.

The new committee thanks the outgoing executives and committee members for their effort, enthusiasm and commitment in contributing to the running of the P&C for 2018.

A special mention to **Year 7 parents 2019** as many of them turned up for the AGM held on 26 February. They took the opportunity to address their queries to the Principal and a few of them decided to be part of the committee. It is always very encouraging to see new members participating as they will be the parents to lead P&C for the long haul. We thank them for their dedication, and we are looking forward to working with them in 2019.

The next General Meeting will be held on 26 March (Tuesday), 7:30pm at the library.

Working Bee/Organic Egg Sale

(Saturday 16 March 9am – 1pm)

The P&C, together with the school, is running a Working Bee on 16 March between 9am - 1pm. We need many volunteers; parents, students, family members and friends are all encouraged to come and help on the day. Work involves weeding, setting up edging for garden beds, mulching, pruning plants and painting.

Come and spend a couple of hours beautifying the school and making friends with other parents. Morning tea and a sausage sizzle lunch will be provided for all participants. In order to assist with planning and catering needs, please sign up online as soon as possible at www.volunteersignup.org/LLFHP or email bhhspandc@hotmail.com.

In conjunction with the Working Bee, the P&C is also running an organic egg sale for fundraising. All eggs are fresh from the farmers, who are also the proud sponsors of the eggs and sausages for the Aussie Stall at our school's annual Multicultural Food Fair. Eggs are to be collected from 9am – 12pm at the shelters outside the canteen on the day.

Fresh farm eggs are selling at \$12/tray (30 eggs). Parents can place order online at www.volunteersignup.org/LLFHP. (It's the same site as the Working Bee sign up. Due to the limitation of the system, you can only order one tray per form. Please fill the form multiple times if you need to order more than one tray.) The order cut off time is 12pm, Monday, 11 March 2019.

Sau Wan Liew
P&C President

AAA Week Multicultural Fair

As part of our AAA Week held in week 6 of this term, the Prefects will be holding Multicultural Day during school lunch on the 7th of March.

In order to embrace the spirit of multiculturalism at Baulko, we encourage everyone to bring in food from their culture to be sold to all students and teachers on the day, which will reward the student with merit points!

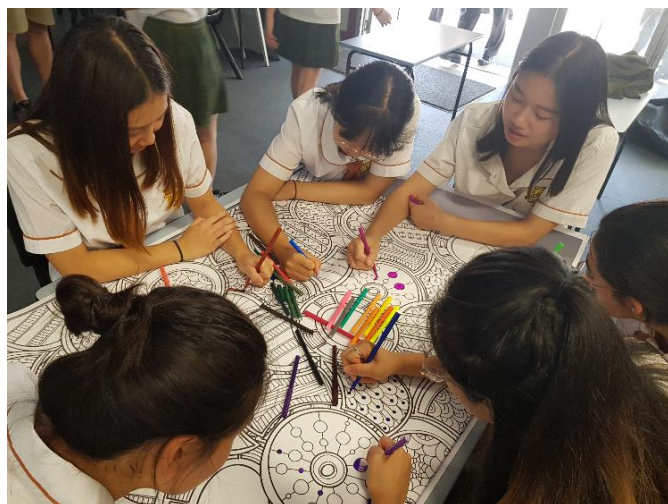

Sign up sheets will be located outside the history staffroom for those who are interested.

Year 12 Wellbeing Day

Wellbeing Day was a great session to help relieve stress. Students were able to engage with dogs, play giant board games and do some mindful colouring in.

Julia Zhu, Year 12 Adviser

Procedure for Sick Students

Students who are sick in class should see a teacher for written permission to go to sick bay. They must go to sick bay (which is in the Front Office) and follow instructions from the office staff, who will contact a parent/guardian when necessary. Sick bay is used for a short time only. Students should not call their parents first. Please be advised the school does not supply any medication (panadol).

Information Regarding Sport Selections Process Each Term

At Baulkham Hills High School we aim to offer a range of both grade and recreational sports on a Wednesday afternoon so that all students that are participating are able to be involved in an activity that they find engaging and challenging.

Grade sport is where students will trial for a wide variety of sports, in the hope to be selected and represent the school against other schools within our local area.

Recreational sport is for students who are not selected in any grade sport teams, and have the option of choosing from a variety of sports within the local area. We are constantly reviewing the sports that we offer and aim to keep the costs to a minimum. Sports that involve a transport cost are more expensive than venue only or school based sports. We also provide walking as an option which does not involve any costs. One constant question is the high cost of transport – unfortunately buses are quite expensive, and are arranged to best suit our needs. We endeavour to keep this cost as low as possible, but we are restricted by the bus company.

When choosing our sports & venues we are restricted by the numbers that a venue can accommodate or the number that an instructor can safely instruct.

We face some challenges in the number of students who can attend each sport, including; physical space in the school, and also the number of students that are permitted to travel on a bus to and from the venue. Another challenge is that we are restricted by the number of teachers allocated to Wednesday sport each week, due to timetable constraints, as well as ensuring that all activities adhere to strict safety guidelines. As a result our sports do have limited numbers & the most popular sports will fill up quickly and once full become unavailable.

Our recreational sport selections are made online in order to give all students an equal and fair chance at choosing the sport that they would like to enrol in. The server that we use seems to have no issues with the traffic that is involved with hundreds of bookings successfully made in the first couple of minutes after the site opens.

We are looking at opening the site for bookings at 6pm in the future rather than 2:30pm, as they have been previously. With bookings now becoming increasingly made by parents rather than students this may be away that we can alleviate some of the concerns expressed regarding the bookings process.

We also need to ensure that both students and parents understand that for the school to adhere to safety guidelines, each time a student is selected in a sport (either grade or recreational), a permission note must be completed, with up to date medical and contact information to ensure your child's safety is paramount at all times.

For students who wish to stay as up to date as possible with all sports announcements, please enrol in the Sports Google classroom, the code is: **mcdzkp**

Just a friendly reminder that the sports office is located in D Block, NOT the PDHPE staffroom.

If at any time parents or students have a question in relation to sport, please do not hesitate to contact the school.

Regards,

Mr. Filewood

Scholarships & Competitions

Cadetship opportunities in business, engineering and technology

A cadetship is an effective way of launching your career from the start of university rather than after you graduate. For twelve years, Professional Cadetships Australia (PCA) has provided opportunities for Year 12 students to apply for a cadetship and during that time, **185 cadets** have been placed under our programs. There are two programs: **Business Cadetships** and **Engineering & Technology Cadetships (ETCAD)**.

Business Cadets are placed at UBS, a top-ranking global bank, in Sydney.

The Program provides cadets with a wonderful opportunity to launch their business career. Business Cadets can choose from a broad range of university degrees, including Economics, Commerce, Business, Advanced Studies, Social Science, Arts, Computer Science & Technology and Mathematics. Cadets combine study and work throughout their cadetship. UBS has been a part of the program since its inception and continues to place cadets across the firm.

Under this year's ETCAD Program, **Engineering Cadets will again be placed in Sydney with Cubic Transportation Systems**, the world leader in transport payment and traffic management systems. Cadets may choose to study Electrical, Mechanical, Mechatronic, Computer, Software or Industrial Engineering. Alternatively, cadets may undertake a flexible entry Engineering degree. It is also possible to study Science, Computer Science or Information Technology while working at Cubic. Engineering Cadets combine full-time university study with paid work at Cubic over vacation periods.

By studying and working at a leading company from the start of university, cadets earn a competitive advantage over students who delay work until after they have graduated. Compare the outcomes for a university student and a cadet in the table below:

University student	Business or ETCAD Cadet combining study + work
Pays university fees	Receives a secure remuneration package
Learns about the world in theory	Puts theory into real world practice
Is unsure of academic strengths	Discovers at work where strengths lie and tailors degree accordingly
Has limited opportunity to experience the business world	Has unlimited opportunities to experience the world of banking and finance
Does not know what the future holds on graduation	Has a sound understanding of business practices and the competitive edge on graduation

Year 12 students apply online to Professional Cadetships Australia. We run the application process and conduct first-round interviews in order to determine which candidates will be referred to participating companies.

Applications for the Business Cadetships Program open on 4 March and close on 15 May 2019.

Applications for the ETCAD Program open on 29 April and close on 21 June 2019.

Only current Year 12 students can apply for our cadetship programs. It is not possible to apply once you are attending university. So, if you would like to take advantage of these opportunities, make sure you apply by the due deadlines.

CLLA Chinese Language School

千里(QianLi)中文学校2019年招生通知

We invite you to join our weekend Chinese classes at Baulkham Hills High School. As a DET guided and supported community language school, CLLA (QianLi) hosts language-focused learning activities with sound qualifications and experience. Our current classes are on Saturday and Sunday from 2pm - 4pm. Additional classes can be scheduled for weekend mornings and week-day afternoons. Students are able to enrol at any time throughout the school term.

Contact Ms. Sun at cllau9@gmail.com, or call **0403816959**, WeChat is also available by this number. Our teachers Sun Lao Shi and Du Lao Shi have qualifications in Chinese-BA at Beida北大; Postgraduate Diploma in Education at UMac; Masters of Teaching at UWS; and Community Language Teaching Certificates at UNSW and UWS. They both have over 8 years of teaching experience at universities, community language schools, and pre-schools. All of our volunteers have Working With Children Check.

We would also like to share a message from the Community Languages Schools Program Coordinator: *"Students now have the opportunity to be recognized for their participation in community languages school and be presented with a certificate at their home school. Students in secondary school will have the opportunity for formal recognition of learning a language in community languages schools through the Board of Studies Teaching and Educational Standards (BOSTES) Record of School Achievement (RoSA) for graduating students."*
