From the principal's desk:

It was good to see so many students involved in the Cross Country last week. Several roll classes won the chance to have a pizza party because they had 100% attendance. Year 7 was again the best in terms of attendance and Year 10 the worst. Perhaps they can improve for the Athletics Carnival?

Year 12 are currently doing their Half Yearly exams. There is a push from NESA to reduce the number of examinations students have to do, in order to ease the pressure on students, so some of the tasks during this exam period will actually be hand in tasks rather than formal exams. In the end though students will still sit for HSC exams in October so some familiarity with exam technique is crucial to their success.

Best wishes to our Support Unit students who are looking forward to their Zoo Snooze excursion later this week. They will spend the night camped out at the zoo and visit the animals after all other guests

have left and again visit the animals in the morning. Thank you to the Support Unit teachers for organising this opportunity.

The refurbishment of the two Science laboratories is progressing well and it looks like we will have the renewed labs operational for Term 2.

Year 7 students will receive Interim Reports later this week. These will just be a simple 'Progressing Well' or not for their first term of high school. More comprehensive reports will be issued at the beginning of Term 3 and teachers will be available for a Parent Teacher evening on Thursday 26th July. Of course, if parents have any real concerns before Term 3 don't hesitate to contact the Year Advisers, Mr Poole and Ms Hallal.

Baulko News

Good Luck Year 12!!!

Today Year 12 begin their HSC Half-Yearly Exams, so we want to wish them the best of luck for the upcoming two weeks. Year 12 have been working extremely hard in preparation for these examinations, so we are certain their hard work will be rewarded. We encourage Year 12 to reflect on their efforts and continue to strive for improvement!

It was lovely seeing so many students at the Year 12 breakfast this morning, all eagerly preparing for their English Exam. Hopefully the next two weeks will go smoothly for all involved! A reminder to year 12 - take care of yourselves and reach out for support if needed!

Good Luck Year 12! We are thinking of you!

Mz Zhu, Ms Milne, Ms Fletcher & Ms Clarke

Year 9 Urban Challenge

Year 9 went on Urban Challenge, a camp that allows teams to explore the city through the completion of puzzles. We completed many challenges that built up our teamwork, cooperation and allowed us to learn important life skills. Teams visited many parts of the city including Bondi, Barangaroo, the CBD, Chinatown and Circular Quay.

Each member of the 15 person teams had a designated role, ranging from team leader and treasurer to navigator and caterer, and through this we all learnt how to cooperate with each other. There were struggles though, such as deciding what to eat and where to go, but each team still enjoyed the challenges.

Students took the ferry to Cockatoo Island to go geocaching and to play games around the island; this led to a game of Teacher vs Students chess. This led us to going back to the CBD and to haggle for our dinner in Chinatown.

Students spent the day at Bondi completing activities and challenges such as synchronised swimming at Icebergs, Tai Chi on the beach and the best part, going op shopping for our Teacher's outfit for dinner that night. The Teachers looked lovely in their various hats, glasses and accessories. All you can eat pizza was great to fill our empty stomachs. Then a game of ten pin bowling to end the night.

The dragon boat racing was a definite highlight, as it was a new experience for all of us. The thrilling races were not without a consequence though, as we all walked around in wet, salty clothes for the rest of the day. Losing team members on the train somehow but, finding them minutes later still remains as a good memory.

Each of us took a lot from the experience, whether it be to get on the right train, or to read Google maps properly. We genuinely thank all the teachers involved for allowing us to have such a joyous three days (and putting up with us). It was a really worthwhile experience and that we learnt life lessons.

Cadetship opportunities in business, engineering and technology

A cadetship is an effective way of launching your career from the start of university rather than after you graduate. For twelve years, Professional Cadetships Australia (PCA) has provided opportunities for Year 12 students to apply for a cadetship and during that time, **185 cadets** have been placed under our programs. There are two programs: **Business Cadetships** and **Engineering & Technology Cadetships (ETCAD)**.

Business Cadets are placed at UBS, a top-ranking global bank, in Sydney.

The Program provides cadets with a wonderful opportunity to launch their business career. Business Cadets can choose from a broad range of university degrees, including Economics, Commerce, Business, Advanced Studies, Social Science, Arts, Computer Science & Technology and Mathematics. Cadets combine study and work throughout their cadetship. UBS has been a part of the program since its inception and continues to place cadets across the firm.

Under this year's ETCAD Program, **Engineering Cadets will again be placed in Sydney with Cubic Transportation Systems**, the world leader in transport payment and traffic management systems. Cadets may choose to study Electrical, Mechanical, Mechatronic, Computer, Software or Industrial Engineering. Alternatively, cadets may undertake a flexible entry Engineering degree. It is also possible to study Science, Computer Science or Information Technology while working at Cubic. Engineering Cadets combine full-time university study with paid work at Cubic over vacation periods.

By studying and working at a leading company from the start of university, cadets earn a competitive advantage over students who delay work until after they have graduated. Compare the outcomes for a university student and a cadet in the table below:

University student

Pays university fees

Learns about the world in theory

Business or ETCAD Cadet combining study + work

Receives a secure remuneration package

Puts theory into real world practice

Is unsure of academic strengths	Discovers at work where strengths lie and tailors degree accordingly
Has limited opportunity to experience the business world	Has unlimited opportunities to experience the world of banking and finance
Does not know what the future holds on graduation	Has a sound understanding of business practices and the competitive edge on graduation

Year 12 students apply online to Professional Cadetships Australia. We run the application process and conduct first-round interviews in order to determine which candidates will be referred to participating companies.

Applications for the Business Cadetships Program open on 4 March and close on 15 May 2019.

Applications for the ETCAD Program open on 29 April and close on 21 June 2019.

Only current Year 12 students can apply for our cadetship programs. It is not possible to apply once you are attending university. So, if you would like to take advantage of these opportunities, make sure you apply by the due deadlines.

Sydney Theatre Company Work Experience

Mon 7 – Fri 11 Oct | 9am – 4pm | Fox Studios | Moore Park

Applications open Mon 22 Apr 2019

Applications close Fri 26 Jul 2019

Twenty-five Drama students in Years 10 and 11 from across NSW have the opportunity to participate in our immersive, interactive Work Experience Week.

Work Experience Week enables students to explore many facets of STC and gain a broad understanding of the workings of a theatre company. Each day focuses on a different STC department, including programming, direction, set and costume design, marketing and corporate sponsorship. Working in groups, students complete activities in the roles of different creatives and STC staff, and present their ideas in informal presentations. Students participate in tours, panel discussions, workshops and activities run by STC staff and creatives.

STC offers a regional scholarship, covering the cost of travel and accommodation up to \$1500, to enable a student from regional NSW to participate.

The program endeavours to inspire a love and appreciation of the theatre-making process, as well as foster the next generation of arts industry professionals. We strongly encourage students who are Aboriginal and/or Torres Strait Islander, from culturally and linguistically diverse backgrounds, and those with disabilities to apply.

Sydney Opera House | Work Experience

Term 3 dates: 19-23 August (deadline for applications is 21 July).

Term 4 dates: 4-8 November (deadline for applications is 6 October).

The Opera House is committed to providing artistic, cultural, educational and employment opportunities that build capacity and understanding. The Opera House believes creating these opportunities is essential to nurture the next generation of artists, audiences and visitors.

Our work experience program takes place twice a year and is open to secondary school students who are ideally studying in Year 10. The program lasts a week and gives participants a hands-on experience of how the Opera House operates during the program hours of 9.30am – 3.30pm, Monday to Friday.

Participants will meet and work alongside a diverse range of Opera House employees from Ticketing Sales Representatives to Stage Managers to Building Operations Supervisors. We are one of the world's busiest performing arts venues and the experiences we offer will vary between programs depending on what is happening at the time.
