From the principal's desk:

Year 7 are off to Swim School today. The weather is not promising but hopefully they will further develop their swimming skills and make the two days worthwhile. Parents are reminded that if their child cannot swim 50 metres confidently by the start of Year 8 they will not be able to join the rest of the school in Wednesday sport but will be expected to attend swimming lessons every Wednesday afternoon until they can meet that criteria. If your child is in that category please consider private lessons before that time. It is essential that we can all swim in a country like Australia.

The coronavirus threat has increased and is a problem, particularly in the Ryde area. Many of our families come from that area or nearby. Please use sensible hygiene practices and make sure children wash their hands regularly and cough into their elbow. Any sign of breathing difficulties please get medical advice over the telephone. Updated information for parents and carers about COVID-19 formerly referred to as Novel Coronavirus (Novel Coronavirus) 6 March 2020

<https://www.health.nsw.gov.au/Infectious/diseases/Pages/coronavirus.aspx>

Dear parent or caregiver,

The NSW Department of Education is working closely with the NSW Ministry of Health in response to the unfolding international COVID-19 (formerly referred to as Novel Coronavirus) situation.

Further travel restrictions

Effective of 5 March 2020, the Federal Government has issued updated advice on travel restrictions on foreign nationals (excluding permanent residents of Australia) coming to Australia from the Republic of Korea (South Korea).

Current advice from the NSW Government for parents and affected staff is:

- Any student or staff member who has left, or transited through mainland China since 1 February, Iran since 1 March or the Republic of Korea (South Korea) since 5 March, is excluded from child care services, school or work for 14 days from the date they left mainland China, Iran or the Republic of Korea (South Korea).
- Any confirmed case of COVID-19 will be excluded until they are medically cleared to return.
- Close contacts of a confirmed case of COVID-19 will be excluded for 14 days since last contact with the confirmed case.

Students and staff who have returned to Australia and have shown no symptoms during the 14-day self-isolation period are able to return to child care services, school or work.

The NSW Ministry of Health has processes to identify any close contacts of cases confirmed in Australia. Advice about not attending school would be provided to these close contacts by the NSW Ministry of Health.

Consistent with current guidelines, students who are unwell with respiratory illness should remain at home until symptoms resolve. In accordance with the NSW Department of Education's current practice, if any student becomes unwell, the school will implement infection control guidelines and follow the advice provided by the NSW Ministry of Health as appropriate.

Maintaining good hygiene standards is an important way to reduce the risk of acquiring and spreading respiratory infections. Parents and caregivers are asked to promote good hygiene, including handwashing with soap as handwashing is the single most effective way to reduce the spread of germs that cause respiratory disease.

The NSW Ministry of Health has [advice and resources about COVID-19 in English, Chinese and other languages](#)

The NSW Department of Education will continue monitoring the COVID-19 situation and provide parents and caregivers with updated information about the virus.

2020年3月6日为家长和照顾者提供的COVID-19（以前称为新型冠状病毒或Novel Coronavirus）的最新信息

亲爱的家长或照顾者，

NSW 教育部正在与NSW卫生部密切合作，以应对全世界不断发展的COVID-19（以前称为新型冠状病毒）疫情。

进一步的旅行限制

自2020年3月5日起，联邦政府发布了对从韩国（南韩）进入澳大利亚国境的外国国民（不包括澳大利亚永久居民）的最新旅行限制。

NSW政府对家长和受影响员工的最新意见是：

- 任何学生或员工，如果自2月1日以来曾离开中国大陆或在那里过境，或者从3月1日以来离开伊朗或在那里过境，或者从3月5日以来曾离开韩国（南韩）或在那里过境，那么从他们离开中国大陆、伊朗或韩国（南韩）之日起14天内，不得上幼儿园、上学或上班。
- 所有COVID-19确诊病例都不得上幼儿园、上学或上班，直到有医生证明确认可以上幼儿园、上学或上班为止。
- 所有COVID-19确诊病例的密切接触者，从最后一次接触确诊病例之日起14天内，不得上幼儿园、上学或上班。

回到澳大利亚的学生和员工，如果在14天的自我隔离期内未出现任何症状，那么过后就可以去上幼儿园、上学或上班。

NSW卫生部有一套程序来发现澳大利亚确诊病例的密切接触者。NSW卫生部将要求这些亲密接触者不要上学。

按照现行准则，患有呼吸系统疾病而感到不适的学生都应待在家里，直到症状消失为止。根据NSW教育部的现行措施，如果有任何学生开始感到不适，学校就会贯彻感染控制准则，遵循NSW卫生部的有关规定。

坚持严格的卫生标准是一项很重要的措施，可以降低获得及传播呼吸道感染的风险。家长和照顾者都必须养成良好的卫生习惯，包括用肥皂洗手，因为[洗手](#)是减少呼吸系统疾病致病微生物最有效的一个方法。

NSW卫生部[关于COVID-19的规定和多种资料都有英语、中文和其他语言的版本](#)。

NSW教育部将继续关注COVID-19的疫情，并向家长和护理人员提供最新的疫情信息。

Wakakirri 2020 at Baulkham Hills High School

Great stories can open hearts and minds and inspire change. Wakakirri is a Story-Dance festival where schools aim to do just that! Wakakirri is Australia's Largest Performing Arts Event for Schools with separate events for Primary, Secondary, Dance schools and schools in remote areas. Each year hundreds of schools across Australia create Story-Dances and perform in professional theatres in front of the official 'Wakakirri Panel' who are searching for 'Story of the Year'.

A poster for Wakakirri 2020. At the top, it says "SIGN UP OUTSIDE CAPA STAFFROOM NOW!" in bold black letters. Below this is a large teal circle containing the text "ARE YOU A PERFORMER? WHY NOT JOIN WAKAKIRRI 2020?" in white. Underneath the circle, there is a small text box explaining that Wakakirri is an Australian national Story-Dance festival for primary and secondary schools, running since 1992, and that the word means "to dance a story". At the bottom, the word "WAKAKIRRI" is written in large red letters, with "Australia's Largest Performing Arts Event for Schools" underneath in black.

SRC World's Greatest Shave

On Friday the 6th of March, Baulko's SRC held it's annual World's Greatest Shave. The event was a huge success and there was great participation and support throughout the entire school. We had 25 students from multiple grades shaving this year, which was more than double of last year's amount who were willing to sacrifice their hair for a good cause. As a team, Baulko has managed to raise over \$17,000, which will all be going to the Leukaemia Foundation in support of research towards a cure for blood cancer.

We also offered hairspray for others to show their support. We would also like to thank the hairdressers who kindly came and helped, Mancave Barber Shop (Rouse Hill), The Edge in Hair, Mr Pinks Barber Shop and Boyz II Men Barber Co. (Baulkham Hills). Without their generosity, time and support, the shave would not have been able to happen.

Hills Relay for Life

Baulkham Hills High School is once again supporting Hills Relay for Life. A subgroup of the Outreach committee is currently exploring fundraising ideas and we would love the school community support in joining the relay team, sponsoring a walker, participating in some part of the walk and cheering our team on or in financially contributing to the fundraising efforts.

Our spirit and fundraising go to support the individuals with cancer and their carers. I know that a lot of people in our school community have had a family member or friend affected by cancer and this is a way of showing them our support.

- Use alcohol-based hand cleansers if you do not have access to soap and water

Remember hand washing is the single most effective way to reduce the spread of germs that cause respiratory disease.

Anyone with signs and symptoms of a respiratory infection, regardless of the cause, should be instructed to cover their nose/mouth when coughing or sneezing; use tissues to contain respiratory secretions; dispose of tissues in the nearest waste receptacle after use; and wash their hands afterwards.
