The Carver Crescent access path was cleared of overhanging branches, and high pressure cleaned. The school is looking great – thank you.

Outreach Group

The Outreach extra-curricula group has worked diligently throughout the term to raise funds for the charity Youth Off The Streets. They creatively decided to conduct a Yard Sale on the Thursday of Week 6, selling donated clothing, books, household items, technology projects and toys in order to raise funds for a cause.

Not only were they able to do this, but they created and strictly adhered to COVIDSafe Protocol to ensure the safety of all people involved.

The items sold raised revenue of \$574 - a fantastic achievement of the Outreach group. All proceeds will be donated and Outreach will look forward to the next challenge of supporting a different charity. The unsold goods will be donated to a range of charities.

Outreach would like to thank all of the Baulkham Hills High School community who were involved in the organisation, donation and purchase of items on the day. It is to the credit of the community that the school is willing and able to passionately support great causes such as this.

Outreach Coordinator.

World's Greatest Shave

Last Friday, Baulko's SRC held the annual World's Greatest Shave event. This year the event was yet again a huge success, and the participation and support from the school community was tremendous. So many fantastic students volunteered to sacrifice their hair to raise awareness and funds (over \$21,000) which will go directly to the Leukaemia Foundation in support of research and families affected by blood cancer. There was also hairspraying available at recess and lunch for students who made a gold coin donation. We would especially like to give a huge thank you to the hairdressers who continue to volunteer their time each year to help: Mr Pinks Barber Shop and Boyz II Men Barber Co. Without their support this shave would not have been possible. Also, a huge thank you to the Year 9 SRC who worked tirelessly to organise the event.

Wellbeing News: Opportunity for Year 8 Students: 'Future Proofing' Study

Supporting the mental health of our students is a top priority at Baulko. As a result, I am thrilled to announce that our school is taking part in Australia's largest ever wellbeing study for high school students – the 'Future Proofing' Study. We'll be working with the Black Dog Institute and UNSW, along with 170+ other schools, to improve the mental health and wellbeing of Australian teenagers.

We all know 2020 was a difficult year and the wellbeing of our students has never been so important. That's why we're encouraging all Year 8 students to participate in this study.

Participating students will try out new mental health apps and complete 2 surveys about their health and wellbeing at school, each year until they are in Year 12. The surveys will ask about a wide range of issues important to young people, including health, emotions, friendships, school, and the impact of the COVID-19 pandemic. This program will also track student progress and better support their wellbeing.

Participation in this program will not impede on student's workload or class time, and will be overseen by myself and assigned supervisors from the Black Dog Institute.

Students need parent permission and a smartphone to participate. Please follow this link to read the study information sheet and complete the consent form: <https://www.fpstudy.org.au/Baulk>

We hope you consider your child's participation in this study. Even before COVID-19, research was showing that mental health concerns in teenagers are on the rise. Our school is keen to be part of the solution!

If you'd like to learn more, please feel free to watch this short information video from the research team: <https://youtu.be/Mf2OsMfFKs>

Wellbeing News:

***Tell Them From Me* student feedback survey (Term 2, 2021)**

I am delighted that this year, our school, like many other public schools in the state, will participate in a Department of Education initiative: the *Tell Them From Me* student feedback survey. The survey measures factors that are known to affect academic achievement and other student outcomes. The focus of the NSW-wide survey is on student wellbeing, engagement and effective teaching practices.

More information about the survey is available at: <https://education.nsw.gov.au/student-wellbeing/tell-them-from-me/information-for-parents-and-carers>

The survey is a great opportunity for our students to provide us with valuable and quick feedback on what they think about school life, how engaged they are with school and the different ways that teachers interact with them. More than 6,300 schools in Australia and around the world have used *Tell Them From Me* to survey 5.4 million students. Capturing the voices of our students will help improve how we do things at our school.

I want to assure you that the survey is confidential. The survey is conducted online and will typically take less than 30 minutes to complete. It will be administered during school hours in Weeks 1 and 2 of Term 2. Participating in the survey is entirely voluntary.

A consent form and FAQs for parents/carers about the survey can be read below. If you **do not** want your child or children to participate, please return the form to the front office by **29/3/21**. Copies of the form and FAQs are available from: <https://education.nsw.gov.au/student-wellbeing/tell-them-from-me/information-for-parents-and-carers>

The consent form and FAQs are available in 23 languages.

If you have any questions, please do not hesitate to contact me. Your support of this initiative is greatly appreciated!

Kindest Regards,

Ms Terryanne Fletcher

Tell Them From Me student survey: Information and consent form for parents and carers

Dear Parents and Carers

In Term 2 2021, our school is taking part in the *Tell Them From Me* student survey. The survey will provide us with valuable feedback on what our students think about school life, how engaged they are with school and the different ways that teachers interact with them. Schools in Australia and around the world have used the *Tell Them From Me* survey to help them improve. The survey is completed on-line and is run by an independent research company, **The Learning Bar**, which specialises in school-based surveys.

Staff in schools will **not** be able to identify individual students from their responses. To ensure confidentiality, participating students will receive a unique username and password. Where fewer than five students respond to a question, the results will be suppressed. The survey typically takes 30 minutes or less to complete and will be administered by the school during normal school hours. Once the surveys are completed by students, reports are prepared and in most cases are available to schools within three business days.

As well as schools getting student feedback, the Department of Education, through the Centre for Education Statistics and Evaluation (CESE), has access to data from across NSW and is running a research project to look at state-wide patterns of student wellbeing, engagement and effective teaching practices. The research is looking at how these things impact on student outcomes, including academic performance. Individual students will **not** be identified in any CESE publications, and all information will be handled in accordance with the relevant privacy legislation. Students' personal information will not be disclosed by the department to any other person or body other than as required by law.

This research will help schools in New South Wales to better understand how to improve student wellbeing and engagement. It will also help teachers and principals discuss what works to improve student outcomes.

Participating in the survey is entirely voluntary. Your child will not take part if either you or your child do not wish. If, during the survey, your child is uncomfortable, he/she can choose to stop the survey at any time. The majority of questions in the survey can be skipped.

If you **do not want your child to take part** in the survey, please complete the attached form and return it to the front office by Monday 29th March, 2021.

More information about the survey and the research is available in English on the CESE website:

IMPORTANT REMINDERS

Student Drop off/Pick up. A reminder to follow all parking and traffic rules when dropping off or picking up your student from BHHS. Please allow your student to walk a few minutes from the gate to meet your vehicle at the end of the day – this helps to ease traffic congestion and improves safety in the afternoons. Students using the bus bay – remember to walk at all times in that area.

Masks remain compulsory on public transport for staff and students in Greater Sydney as per NSW Government guidelines. All staff and students over the age of 12 in the Greater Sydney area must wear masks when travelling to/from school or when travelling for school activities using public transport or charter bus services. There have been complaints raised by the public about students not wearing masks on public transport. I would ask that parents and carers please remind their students that they must have and wear a mask for these activities (unless the student has a health exemption). More information about wearing masks is available on the NSW Government website - check <https://rb.gy/fykkpp>

Travelling Home from School by Bus using the Bus Bay

- Wait behind the white line leaving room for students to move down the walkway to their bus
- Don't cross the yellow line until you are ready to board a bus
- Always follow teacher directions
- Have your Opal card ready and wear your mask as per Covid 19 Govt regulations when boarding bus
- If catching the 601 on Windsor Rd beware of crossings, follow directions remember your manners
