Our Cadet Unit and Prefect Body have been busy with all things **ANZAC** over the past week. Although operating in a COVID-19 safe world, the cadets have assisted at ANZAC Ceremonies at Beaumont Hills PS and Matthew Pearce PS, and with our school prefects at BHHS last Friday afternoon. Thank you to cadets, prefects, Mr Iaconis, Ms Kite, Ms Kim and all other people involved with these meaningful, sincere ceremonies. Thank you also to our school captains Minha Kook and Vahin Ravi, and P & C Representative Mr Shasidharan, for joining me in representing the school at Castle Hill RSL's Dawn Service yesterday morning at Bella Vista Farm

The annual **Athletics Carnival** will be held at school on Tuesday 27 and Wednesday 28 May. This is a normal school day, and all students are expected and encouraged to attend and participate. It should be lots of fun.

A reminder about **payment deadlines**. The school coordinates many extracurricular activities and excursions that enhance the all-round education of students. Many of these have extra costs, and this involves payment. Many students are failing to meet deadlines to pay for these activities. May I please ask that families strictly adhere to payment deadlines? If you are experiencing financial difficulties, please do not hesitate to contact the school to discuss these matters.

## 2021 National Assessment Program Literacy and Numeracy (NAPLAN)

Tuesday 11 May to Friday 14 May will see students from Years 7 and 9 across Australia take part in the testing for the National Assessment Program – Literacy and Numeracy.

The NAPLAN test is another way of finding out what students can and cannot do, so that future programs can help them. It should be noted that there is no pass/fail mark in the tests, the NAPLAN tests is purely an indication of what an individual student can do.

As the test is marked mainly by computer the test must be completed using a pencil and an eraser, under no circumstances should a student use pens or liquid paper. We advise students to bring to the exam:

- at least two sharpened 2B pencils, not mechanical pencils such as Pacers
- a pencil sharpener, with something to collect the shavings in
- an eraser
- a calculator for the Numeracy Test
- some quiet activity to go on with if they should finish early, all other equipment for the test will be supplied.

The program of events for NAPLAN is as follows:

The image shows the front cover of a booklet titled "NAPLAN on paper – information for parents and carers". The cover features a green and yellow design with the NAPLAN logo and the year 2021. The booklet is divided into sections: "Your child will do the NAPLAN tests on paper", "Why do students do NAPLAN?", "What does NAPLAN assess?", and "Participation in NAPLAN". Each section contains text and small images related to the topic.

**NAPLAN on paper – information for parents and carers**

**2021**

**Your child will do the NAPLAN tests on paper**

Federal, state and territory education ministers agreed that all schools will gradually transition from the current paper-based NAPLAN to NAPLAN Online in order to provide a better and more precise assessment that is more engaging for students.

State and territory education authorities will determine when their schools move online. The current plan is for all schools to transition to NAPLAN Online by 2022.

**Why do students do NAPLAN?**

The National Assessment Program – Literacy and Numeracy (NAPLAN) assesses literacy and numeracy skills that are essential for every child to progress through school and life.

Students in Years 3, 5, 7 and 9 participate in the annual NAPLAN tests in reading, writing, language conventions (spelling, grammar and punctuation) and numeracy.

The assessment provides parents and schools with an understanding of how individual students are performing at the time of the tests. NAPLAN is just one aspect of a school's assessment and reporting process – it does not replace ongoing assessments made by teachers about student performance.

NAPLAN also provides schools, education authorities and governments with information about how education programs are working and whether young Australians are achieving important educational outcomes in literacy and numeracy.

**What does NAPLAN assess?**

NAPLAN assesses literacy and numeracy skills that students are learning through their regular school curriculum. All government and non-government education authorities have contributed to the development of NAPLAN materials.

**Participation in NAPLAN**

All students in Years 3, 5, 7 and 9 are expected to participate in the annual NAPLAN assessment. Students with disability may qualify for adjustments that reflect the support normally provided for classroom assessments. You should discuss the use of any adjustments for your child with your child's teacher.

A student with a disability that severely limits their capacity to participate in the assessment, or a student who has recently arrived in Australia and has a non-English speaking background, may be granted a formal exemption.

Your school principal and your local test administration authority can give you more information on special provisions or the process required to gain a formal exemption.

**NAP NATIONAL ASSESSMENT PROGRAM**

**acara AUSTRALIAN CURRICULUM, ASSESSMENT AND REPORTING AUTHORITY**

### What if my child is absent from school on NAPLAN days?

Where possible, schools may arrange for individual students who are absent at the time of testing to complete missed tests at another time during the testing week.

### How is my child's performance reported?

Individual student performance is shown on a national achievement scale for each assessment. A result at the national minimum standard indicates that the student has demonstrated the basic literacy and numeracy skills needed to participate fully in that year level.

A NAPLAN individual student report will be issued by your child's school later in the year. If you do not receive a report, you should contact your child's school.

### NAPLAN timetable

The NAPLAN assessment window starts on Tuesday 11 May and finishes on Thursday 13 May 2021.

The paper test scheduling requirements are detailed in the table below.

### How are NAPLAN results used?

- Students and parents may use individual results to discuss progress with teachers.
- Teachers use results to better identify students who would benefit from greater challenges or extra support.
- Schools use results to identify strengths and areas to improve in teaching programs, and to set goals in literacy and numeracy.
- School systems use results to review programs and support offered to schools.
- The community can see average school NAPLAN results at [myschool.edu.au](http://myschool.edu.au)

### Where can I get more information?

For more information about NAPLAN:

- contact your child's school
- contact your local test administration authority at [nap.edu.au/TAA](http://nap.edu.au/TAA)
- visit [nap.edu.au](http://nap.edu.au)

## Minimum Standards Testing – Yr 10 and 11

Students need reading, writing and numeracy for everyday life after school

This is why students need to meet a minimum standard of literacy and numeracy to receive the HSC from 2020.

### 2021 HSC and after

To show they meet the standard, students need to:

- Achieve Level 3 or 4 in the online reading test and
- Achieve Level 3 or 4 in the online writing test and
- Achieve Level 3 or 4 in the online numeracy test.

There are three 45 minute online tests:

- an adaptive, multiple choice reading test
- an adaptive, multiple choice numeracy test
- a test for writing based on a written or visual prompt

The online tests will be administered by schools under supervision, using a lockdown browser.

**Yr 10 will attempt their tasks on the 30<sup>th</sup> April in the Houlston Centre P 1-6**

**Yr 11 will attempt their tasks on the 18<sup>th</sup> May in the Houlston Centre P 1-6**

Only students who meet the HSC minimum standard will receive a Higher School Certificate testamur.

- Laptops need to be fully charged and functional for the test.
- Further student instructions will be given at school. Please ensure that they are completed to enable students to complete the task on the day.

## Wellbeing News:

### Opportunity for Year 8 Students: 'Future Proofing' Study

LAST CHANCE TO JOIN!

Supporting the mental health of our students is a top priority at Baulko. As a result, I am thrilled to announce that our school is taking part in Australia's largest ever wellbeing study for high school students – the 'Future Proofing' Study. We'll be working with the Black Dog Institute and UNSW, along with 170+ other schools, to improve the mental health and wellbeing of Australian teenagers.

This is your last chance to sign up your Year 8 child to the Future Proofing Study, which we are very lucky to be able to run at Baulko! Please let us know of your decision (yes or no) as soon as possible via this online form:

<https://www.fpstudy.org.au/Baulk>

I strongly urge all parents to support your child's involvement in this study and to register 'yes' for this study asap. This is an excellent opportunity for students and will provide your child with important coping skills for better managing their wellbeing. A reminder that you can also opt out of this program at any time, if you or your child does not find it useful.

At the moment we have half the grade participating in this awesome opportunity, so I very much encourage you to sign up your child if you have not already done so!

We are thrilled to be involved in a study that has great potential to impact not only participating year 8 students, but future generations of young Australians. Participating students will also get a \$20 gift card to thank them for their efforts.

If you have any questions please don't hesitate to contact me: [terryanne.fletcher1@det.nsw.edu.au](mailto:terryanne.fletcher1@det.nsw.edu.au). The research team are available to answer your questions via email [futureproofing@blackdog.org.au](mailto:futureproofing@blackdog.org.au) or phone 0432 047 439, so please reach out to them if you wish to discuss the study further before making a decision.
