## HSC Geography Fieldwork - 5 Beaches Fieldwork

On Friday 3<sup>rd</sup> November the 2024 HSC Geography class began their senior Geography fieldwork with the annual 5 beaches excursion. We began at Long Reef & then walked up to Long Reef Point. We then made our way northwards through the peninsula also visiting Collaroy, Newport, Bilgola and Palm Beaches. At each beach we studied the human impacts and management techniques used by local councils. The class did fieldwork in the form of surveys at each beach and then used this information back at school to plan for their first HSC assessment task.

## Careers News

### Year 10

This week, Year 10 will commence their All My Own Work modules. These are compulsory modules that address plagiarism in all of its forms. It is intended to help students understand what plagiarism is in a range of situations so that they can avoid it, even if it's accidental, during their schooling and their HSC. Students can refer back to these modules at any time to ensure that all of their work includes the proper citations/references where others' work has been used.

### Year 11/12

I am currently organising for speakers to talk to Year 11 and 12 students next year. This will include speakers from universities to talk about their courses, and what's on offer at those universities. I am also organising some industry speakers so that students can hear directly from people working and/or studying in different fields. Some of these speakers come from the relevant professional institutions - for example, the Actuaries Institute sends us an Actuary to talk to students. In some cases, we need to find our own, so I am reaching out to networks of former students. This has proved to be worth my time, particularly in the Law and Software Engineering spaces where many former students have come forward to offer their time and expertise. We can never have enough advice for our high-achieving students, so this is a great help.

### General Reminders

UAC processes are rolling on. Find all of UAC's Key Dates here: <https://www.uac.edu.au/key-dates>  
The next key date is when **students receive their ATARs on Dec 14 at 9am**.

UAC holds frequent online events so that you can understand what they do and you can ask questions directly. Coming up is a webinar explaining how preferences and offers work. If you missed my presentation to the P&C, or would like a refresher, they have this one coming up on Wednesday, Dec 6th, at 6pm: <https://uacdigital.easywebinar.live/reggo-preferences-and-offers-2023>

UAC is very active on FaceBook and holds monthly online live sessions where you can ask any questions you like. They also post a lot of 'explainers' so you can understand how and why they do what they do. They also have a YouTube channel where you can find similar explainers whenever you like: <https://www.youtube.com/@UACDigital>

Also reach out to me if there are ways I can help.

## Planned Travel

**Planned travel** should only be taken during school holidays. Students should be at school every day during school term, from beginning to end. The School Bytes parent portal enables you to view all your children in one portal and process payments for multiple siblings in one transaction, even if they attend different schools (assuming all of the schools use School Bytes!).

**IMPORTANT** – To ensure that the registration process works smoothly and you can link your account to your child(ren), make sure that you use the same email address that you have provided to the school or if using a different email address, an SMS verification code will be sent to the mobile phone number on record for you at the school.

7. Confirm the password.
8. Select create account.

An email will be sent to the email address nominated so that you can verify your access to the email address.

## BHHS Mobile Phone Policy and Implementation Term 4 Trial Procedures

### Purpose Statement:

The "no phones in school" policy is being implemented to increase focus and learning in classrooms, remove distractions and promote positive social interactions. The implementation of this policy is a requirement by the NSW Department of Education under the *Students' Use of Mobile Phones in Schools Policy*.

### Rational:

From Term 4, 2023, students are not permitted to use mobile phones whilst on school grounds, including before & after school, recess and lunch. We understand that phones are an integral part of life and that parents/carers provide their children phones for their personal safety and security. However, whilst at school, the school would encourage students to engage in meaningful conversations with each other and physical activity during breaks rather than online activities. In emergency situations, students and parents/carer may contact each other through the Front Office. The school understands that there are some circumstances where a phone may be required by students. Therefore, exemptions are available for students that may require the use of a mobile phone for wellbeing reasons, learning or medical needs.

The NSW Department of Education provided five options for schools to implement this policy. After surveying the views of teachers, students and parents, there was majority support for the introduction of the option "**phones off and away**". It has been decided to trial this option during Term 4, with a review in early 2024.

### Roles and Responsibilities:

#### **Principal, Executive and Teachers:**

- Practice consistent with the school behaviour policy
- Staff model appropriate use of mobile phones
- Organise safe keeping of mobile phones if confiscated

#### **Office staff:**

- Organise safe and secure keeping of confiscated phones
- Keep an accurate record of collected mobile phones
- Communicate with parents/carers as required

#### **Parents and carers:**

- Encourage students to follow the school policy
- Communicate with their child through the front office rather than contacting the student directly
- Understand that the school takes no responsibility for loss or damage to phones
- Encourage their children to engage in social and physical activities during break times
- Work collaboratively with the school and help reinforce the school's procedures and behaviour management policy and use of phones at school to support staff

#### **Students:**

- Turn off the phone and place it in a bag or pocket for the duration of the time on school grounds, this extends to excursions, sports activities and other events on or offsite unless otherwise advised
- In some circumstances, students may be requested to place their phone in a secure safe in the staffroom, which will allow the phone to be provided as required
- Engage in learning in the classroom
- Engage in social and physical activities during break times
- It is the responsibility of students to follow the guidelines outlined in this document

### Implementation of policy:

Updated 8<sup>th</sup> September 2023

At BHHS, the “no phone” policy will be implemented by requiring students to turn off their phone when entering the school grounds and place them in their bag or pocket for the duration of the day. They will only be allowed to take them out and use them when leaving the school grounds at the end of the day. This means that they are not permitted to be used at recess and lunch, and before/after school on school grounds. It also extends to excursions, sports activities and other events on or offsite unless otherwise advised.

Students are not permitted to congregate around the school entrances before entering the school grounds in order to use their phones, especially in the morning. Once arriving at school, students must enter the school grounds where there is teacher supervision.

The exceptions to this policy will include:

- Exemptions through an application process for wellbeing, medical or students with specific needs
- Required as a learning tool for educational purposes with explicit teacher permission

Applications for exemptions from parents/carers and students is through an application process from the relevant Deputy Principal unless already identified by the wellbeing team.

### Phone Protection:

- Students must take full responsibility for any phone brought to school. The School and staff accepts no responsibility for replacing lost, stolen or damaged phones.
- Confiscated phones will be labelled and then stored in a secure place in the front office. Any existing damage will be noted and added to the phone documentation.
- Students are advised to mark their mobile phones clearly with their name.
- BHHS strongly advises the use of passwords and Personal Identification Number (and not to share these with others) to protect mobile phones from unauthorised use.

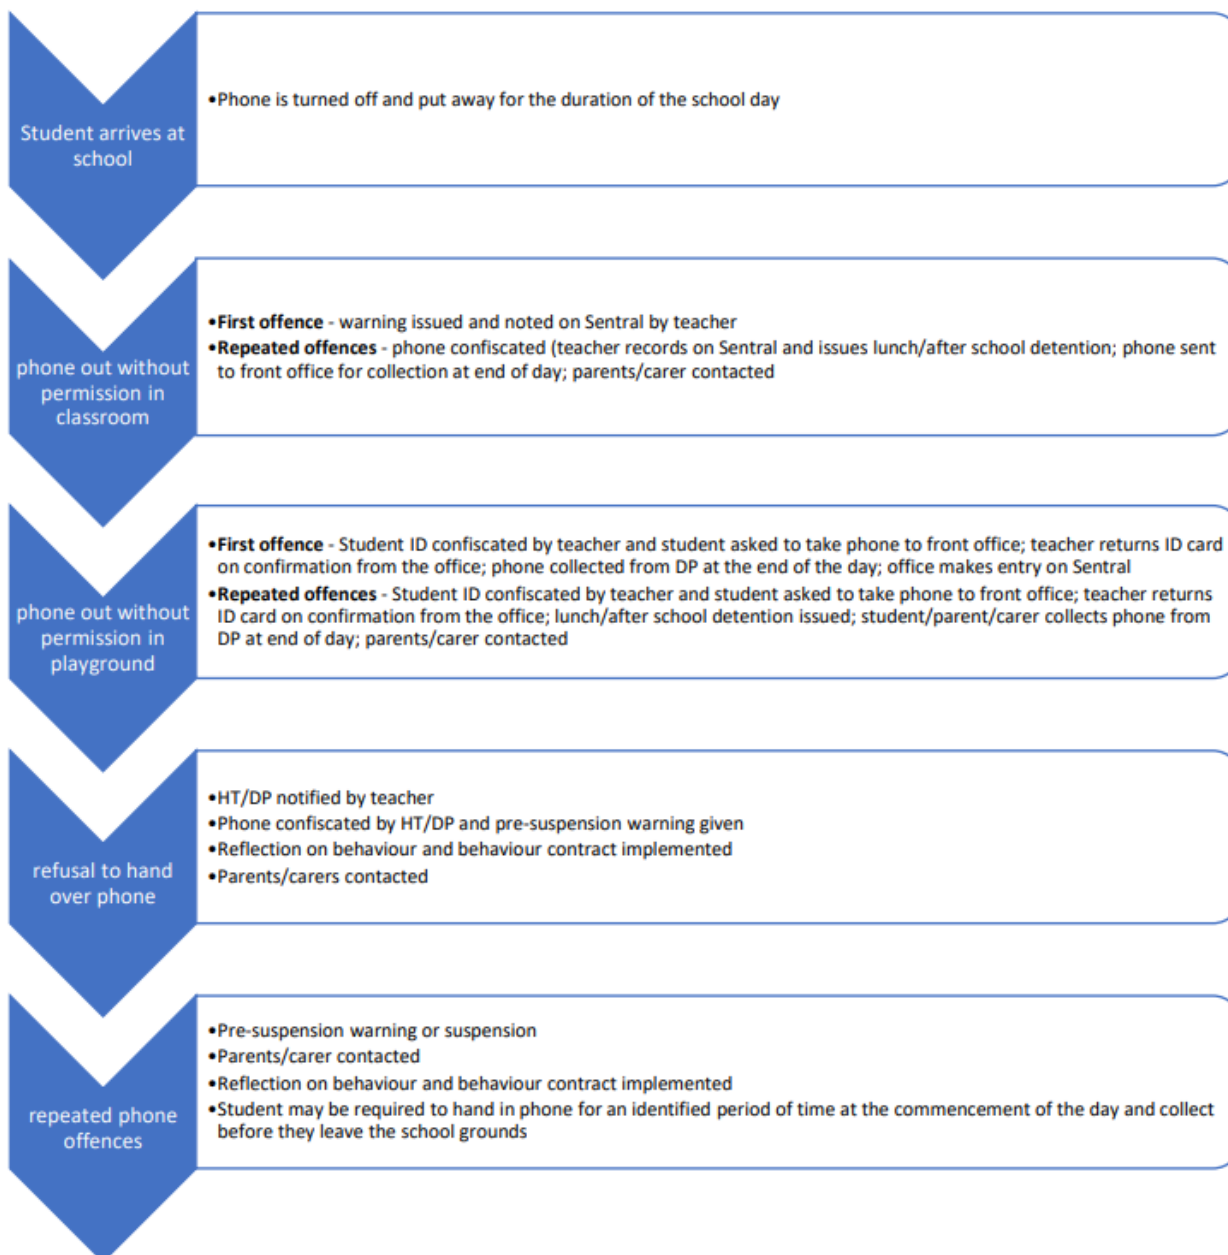

### Consequences:

- Students who do not meet the expectations in this policy will be subject to consequences consistent with the school behaviour management plan.
- The use of mobile phones without permission during lessons, assemblies, excursions or other school events will be managed according to the BHHS Behaviour Management Policy.  
These include, but are not limited to:
  - Confiscation of the mobile phone for the remainder of the school day.
  - Confiscation of the mobile phone until such time as their parent/carer can attend school to collect the device
  - Removal of “**phones off and away**” and replaced by “**phones stored in office**” for the school day.
  - Issue of warning of suspension
  - Suspension for continued disobedience due to failure to follow the procedures of this policy and the Behaviour Management Policy.
- Confiscated mobile phones will be stored securely at the Front Office.

#### Procedure for Early Leavers

If a student needs to leave school early, they must provide a note from their parent/guardian giving reasons for their partial absence. **The student needs to get the note signed by a Deputy Principal before school and hand into the office by 8.30am where they will be issued an early leave pass.** The student can then present the pass to their teacher and leave school at the time advised on their early leave pass.

Senior Students with **Early Study Leave** permission should sign out at the office before leaving School.

**Early Flexible Study Leave for Senior students – Sign out is at lunchtime at the Front Office**

### Support From Reachout

The challenges of supporting students as parents and carers is always present. The issues around COVID-19 have made this an even more difficult and uncertain path to tread. I will be giving students short ideas via assemblies over the next few weeks in which they can proactively support themselves.

The website Reachout.com also provides advice for parent and carers over arrange of areas. It is worth having a look at <https://parents.au.reachout.com/> as a starting point.

For students, have a look at <https://au.reachout.com/articles/how-to-handle-fear-about-the-future-a-guide-for-year-12-students> (Dr Amy Burton, Clinical Psychologist)

### TAFE Use

Students are reminded that the use of the adjacent TAFE facility to walk to and from Old Northern Rd is a privilege and not a right. Students are reminded to walk safely, quietly and quickly thorough the facility. Parents and carers are **not** permitted to enter, drive into, or park in the TAFE to pick up or drop off students.

### Bus Travel

The **bus stop on Old Northern Rd in front of Baulkham Hills TAFE** is used each afternoon by approximately 100 students. Students have the privilege and responsibility of accessing this bus stop through the TAFE. I would remind students to be very careful and considerate when using and accessing this bus stop, waiting for a bus, and moving to the kerb to get on a bus. Buses sometimes approach the stop very quickly, with the front of the bus coming over the edge of the kerb. Please always demonstrate courtesy and safety, and remember that there is always another bus.

### Student pickup after school

A reminder about parking and picking up around our school in the afternoons, especially in the school bus bay, Carver Crescent, Christopher Street, Coronation Road, and Baulkham Hills TAFE areas.

Please ensure you follow all traffic rules (especially traffic lights and not parking across driveways) when you are in these areas. You could even have your student walk a little but further away from the school gate – to assist their physical health, and alleviate the heavy traffic at the end of the school day.

The Hills Shire Council will have compliance officers at various times in these locations to ensure all drivers are following required traffic rules.
