Japanese Speech Contest

On Saturday November 25th, students who are studying Japanese had the opportunity to participate in the Japanese Speech Contest hosted by Western Sydney University. Despite being on such short notice, Baulko students achieved amazing results, with all four participants being awarded a spot in the top three and received the Best Performing School Prize.

Our students thought it was nerve-wracking at first, but confidently delivered their well-prepared speeches. Within the first words of our speeches, the judges were captivated and fascinated by these fine young students from Baulko who were so fluent and manipulative in the Japanese language. During the cultural immersion dining of delicately selected sushi, our Baulko students took the initiative to welcome other students and create lasting friendships and bonds with the other contestants. This experience assisted in creating a brighter future for our students.

スピーチコンテストにさんかして、よかったです！私と同じように日本語を勉強している学生達に会ったり、おすしを食べたり、おりがみをしたりして、いい思い出を作りました。Baulkham Hillsの生とぜんいんがしょうをもらったことは、本当にすばらしいですね。日本語のクラスのみなさん、おうえんしてくれてありがとうございました。とくに、たかむら先生にかんしゃしたいと思います。I am glad I got to participate in the Japanese Speech Contest! We met and bonded with other highschoolers studying Japanese like us, enjoyed sushi for lunch, tried origami, and overall created fun and lasting memories. Isn't it amazing how all four Baulkham Hills students were able to achieve an award? To my Japanese classmates, thank you for all your support. I would like to particularly express my gratitude to Ms Takamura. **メリッサ Melissa Y11 Accel**

While I was there, I even managed to make some friends! I hope that we will all be able to continue to support each other even in the future, especially in our study of Japanese. The environment at the contest was very different from just practicing speaking at school, and I was able to improve a lot more than I expected! Thanks so much to Ms. Takamura, who came to support us all on the day. If you ever get the opportunity to join a contest like this, please give it a shot! **イーザック Yxaak Y11 Accel**

The Japanese speech competition was interesting and was a new experience for me. It was difficult to start preparing a week before, but it was fun, and I made a lot of new people who also study Japanese. I was happy that everyone received prizes. I hope to participate in more competitions in the future to improve my Japanese. Thanks Ms. Takamura.

UAC Info

First up a reminder that UAC holds frequent online events so that you can understand what they do and you can ask questions directly. Coming up is a webinar explaining how preferences and offers work. If you missed my presentation to the P&C, or would like a refresher, they have this one coming up on Wednesday, Dec 6th, at 6pm: <https://uacdigital.easywebinar.live/rego-preferences-and-offers-2023>

UAC also has a newsletter, and if you're a parent of a new Year 12 student, you should definitely sign up to that. You can choose what you'd like to hear about from them. I would recommend ticking the boxes for 'Parent of a high school student', 'Undergraduate', 'Access schemes' and 'Equity Scholarships' (if you have financial disadvantage). It's also worth noting that UAC changes how it does some things each year so, even if you've had a child finish school previously, it's good to find out what's new or different. I will try to keep you across that via this newsletter as well. Here's the UAC newsletter sign up: <https://enews.uac.edu.au/h/r/A04226FFCE21EA4>

HSC Stats

<https://www.uac.edu.au/media-centre/statistics/domestic-undergraduate-application-statistics-at-early-bird-closing-2023>

On the above page, UAC publishes stats related to students' study preferences. A full list of their publicly available stats are here: <https://www.uac.edu.au/media-centre/statistics>

A quick quote from the page: "Overall, Health has again taken the top spot as the favoured field of study, with 25.7% of early bird applicants listing it as their first preference. Society & Culture came second, receiving 20.6% of first preferences across all applicant types."

Society & Culture loosely means 'Arts' degrees. Also here in graph form:

BHHS Mobile Phone Policy and Implementation Term 4 Trial Procedures

Purpose Statement:

The "no phones in school" policy is being implemented to increase focus and learning in classrooms, remove distractions and promote positive social interactions. The implementation of this policy is a requirement by the NSW Department of Education under the *Students' Use of Mobile Phones in Schools Policy*.

Rational:

From Term 4, 2023, students are not permitted to use mobile phones whilst on school grounds, including before & after school, recess and lunch. We understand that phones are an integral part of life and that parents/carers provide their children phones for their personal safety and security. However, whilst at school, the school would encourage students to engage in meaningful conversations with each other and physical activity during breaks rather than online activities. In emergency situations, students and parents/carer may contact each other through the Front Office. The school understands that there are some circumstances where a phone may be required by students. Therefore, exemptions are available for students that may require the use of a mobile phone for wellbeing reasons, learning or medical needs.

The NSW Department of Education provided five options for schools to implement this policy. After surveying the views of teachers, students and parents, there was majority support for the introduction of the option "**phones off and away**". It has been decided to trial this option during Term 4, with a review in early 2024.

Roles and Responsibilities:

Principal, Executive and Teachers:

- Practice consistent with the school behaviour policy
- Staff model appropriate use of mobile phones
- Organise safe keeping of mobile phones if confiscated

Office staff:

- Organise safe and secure keeping of confiscated phones
- Keep an accurate record of collected mobile phones
- Communicate with parents/carers as required

Parents and carers:

- Encourage students to follow the school policy
- Communicate with their child through the front office rather than contacting the student directly
- Understand that the school takes no responsibility for loss or damage to phones
- Encourage their children to engage in social and physical activities during break times
- Work collaboratively with the school and help reinforce the school's procedures and behaviour management policy and use of phones at school to support staff

Students:

- Turn off the phone and place it in a bag or pocket for the duration of the time on school grounds, this extends to excursions, sports activities and other events on or offsite unless otherwise advised
- In some circumstances, students may be requested to place their phone in a secure safe in the staffroom, which will allow the phone to be provided as required
- Engage in learning in the classroom
- Engage in social and physical activities during break times
- It is the responsibility of students to follow the guidelines outlined in this document

Implementation of policy:

Updated 8th September 2023

At BHHS, the “no phone” policy will be implemented by requiring students to turn off their phone when entering the school grounds and place them in their bag or pocket for the duration of the day. They will only be allowed to take them out and use them when leaving the school grounds at the end of the day. This means that they are not permitted to be used at recess and lunch, and before/after school on school grounds. It also extends to excursions, sports activities and other events on or offsite unless otherwise advised.

Students are not permitted to congregate around the school entrances before entering the school grounds in order to use their phones, especially in the morning. Once arriving at school, students must enter the school grounds where there is teacher supervision.

The exceptions to this policy will include:

- Exemptions through an application process for wellbeing, medical or students with specific needs
- Required as a learning tool for educational purposes with explicit teacher permission

Applications for exemptions from parents/carers and students is through an application process from the relevant Deputy Principal unless already identified by the wellbeing team.

Phone Protection:

- Students must take full responsibility for any phone brought to school. The School and staff accepts no responsibility for replacing lost, stolen or damaged phones.
- Confiscated phones will be labelled and then stored in a secure place in the front office. Any existing damage will be noted and added to the phone documentation.
- Students are advised to mark their mobile phones clearly with their name.
- BHHS strongly advises the use of passwords and Personal Identification Number (and not to share these with others) to protect mobile phones from unauthorised use.

Consequences:

- Students who do not meet the expectations in this policy will be subject to consequences consistent with the school behaviour management plan.
- The use of mobile phones without permission during lessons, assemblies, excursions or other school events will be managed according to the BHHS Behaviour Management Policy.

These include, but are not limited to:

- Confiscation of the mobile phone for the remainder of the school day.
 - Confiscation of the mobile phone until such time as their parent/carer can attend school to collect the device
 - Removal of “**phones off and away**” and replaced by “**phones stored in office**” for the school day.
 - Issue of warning of suspension
 - Suspension for continued disobedience due to failure to follow the procedures of this policy and the Behaviour Management Policy.
- Confiscated mobile phones will be stored securely at the Front Office.

Procedure for Early Leavers

If a student needs to leave school early, they must provide a note from their parent/guardian giving reasons for their partial absence. **The student needs to get the note signed by a Deputy Principal before school and hand into the office by 8.30am where they will be issued an early leave pass.** The student can then present the pass to their teacher and leave school at the time advised on their early leave pass.

Senior Students with **Early Study Leave** permission should sign out at the office before leaving School.

Early Flexible Study Leave for Senior students – Sign out is at lunchtime at the Front Office

Support From Reachout

The challenges of supporting students as parents and carers is always present. The issues around COVID-19 have made this an even more difficult and uncertain path to tread. I will be giving students short ideas via assemblies over the next few weeks in which they can proactively support themselves.

The website Reachout.com also provides advice for parent and carers over arrange of areas. It is worth having a look at <https://parents.au.reachout.com/> as a starting point.

For students, have a look at <https://au.reachout.com/articles/how-to-handle-fear-about-the-future-a-guide-for-year-12-students> (Dr Amy Burton, Clinical Psychologist)

TAFE Use

Students are reminded that the use of the adjacent TAFE facility to walk to and from Old Northern Rd is a privilege and not a right. Students are reminded to walk safely, quietly and quickly thorough the facility. Parents and carers are **not** permitted to enter, drive into, or park in the TAFE to pick up or drop off students.

Bus Travel

The **bus stop on Old Northern Rd in front of Baulkham Hills TAFE** is used each afternoon by approximately 100 students. Students have the privilege and responsibility of accessing this bus stop through the TAFE. I would remind students to be very careful and considerate when using and accessing this bus stop, waiting for a bus, and moving to the kerb to get on a bus. Buses sometimes approach the stop very quickly, with the front of the bus coming over the edge of the kerb. Please always demonstrate courtesy and safety, and remember that there is always another bus.

Student pickup after school

A reminder about parking and picking up around our school in the afternoons, especially in the school bus bay, Carver Crescent, Christopher Street, Coronation Road, and Baulkham Hills TAFE areas.

Please ensure you follow all traffic rules (especially traffic lights and not parking across driveways) when you are in these areas. You could even have your student walk a little but further away from the school gate – to assist their physical health, and alleviate the heavy traffic at the end of the school day.

The Hills Shire Council will have compliance officers at various times in these locations to ensure all drivers are following required traffic rules.
