### Midsummer Night's Dream – BHHS Production

#### A note from the director:

Step into a world of mischief, magic, and mayhem in our Baulkham Hills High School production of *A Midsummer Night's Dream*, one of Shakespeare's most beloved comedies. As the moon rises over an enchanted Athenian forest, four young lovers, a troupe of bumbling actors, and the feuding fairy royalty become entangled in a web of mistaken identities, love potions, and whimsical chaos.

With the mischievous Puck at the centre of the disorder, love is tested, identities are confused, and reality blurs with fantasy. Will order be restored before dawn? Or will love and laughter reign supreme in this dreamlike adventure?

Bursting with romance, humour, and theatrical magic, this production of *A Midsummer Night's Dream* promises an unforgettable journey into Shakespeare's world, where love is unpredictable, the impossible becomes real, and dreams take flight.

Please join our wonderful cast and crew for a great night of entertainment. Get your tickets at <https://www.trybooking.com/CZETR>.

### Sydney West Volleyball Girls Opens Steve Birt Memorial Shield 2025 Round 2

Last week on Tuesday afternoon (11/3/25), Baulko's Open Girls Volleyball team played in their first match for the year against Pendle Hill High School, after the team's bye in round 1. The team was victorious with a victory of 2 sets – 0 sets.

At the start of lunch, the team of a dozen girls from Year 10, 11 and 12 met Mr. Paton in the shed to travel on the Baulko bus to the venue. While waiting to depart, the team spirits were already high, with a fun singalong to the radio, accompanied by the alluringly pungent smell of Bubble-gum Hello Kitty body-spray that had been used excessively on one jersey to hide the smells of morning training. As the bus departed, the mood remained high, and the talk of tactics and strategy began.

Before long, the squad had arrived at Pendle Hill High, where captain Chelsea Tran showed her leadership by moving a wheelie bin, which allowed Mr. Paton to make a 12-point turn in the Baulko bus, to park in the narrow carpark. It was at this point the team observed outdoor volleyball courts, wet from the recent rain. While we suspected the game would be on an indoor court, there was a brief moment of panic as we started to think this could be used for our game. Luckily, there were also indoor courts.

And now, the game itself.

A strong start by Baulko winning the toss and starting with the serve. While each team scored a quick few points, Baulko took an early lead of 6-3 due to their superior passing, particularly from Chelsea Tran and Antonia Chen. We soon came to a longer rally between the teams, with approximately 28 hits, which Melinda was able to close out with a strong spike to the opposition's back court, leaving the score 12-8. However, Pendle Hill hustled and supported by their strongest server were able to equalise the score at 12-12. Time out Baulko

After a quick discussion with coach Mr. Fisher and some important insights from captain Chelsea, the match resumed. 6 points in a row to Baulko, with outstanding serving from Antonia, including 3 aces. The set was now progressing nicely, with a few nice touches from Anna, Sharon and Delina to secure some of the close points. Set 1 Baulko 25-17.

For the 2<sup>nd</sup> set, Baulko substituted several players, with Angelina Nguyen from Year 12, Gabi Kim and Chloe Kim from Year 11, and Flora Yu from Year 10, entering the fray. While Baulko lost the first 3 points, the team quickly reset to prepare for the 4<sup>th</sup> point. Breaking the serve, through a fantastic set from Gabi, the score was quickly restructured to 7-5, Baulko's way. Some excellent serving all round, Baulko took a strong lead to 14-8, particularly through Angelina's amazing oppo hit, which secured an important point at the end of a extensive rally and led to the opposition calling for a time out.

17 March 2025

Baulko finished strong, with a score of 25-14 in the second set, securing their win. Excellent play from all of the 12 players, with Antonia Chen standing out as MVP for the day.

By winning this match, Baulko progress to play in the round of 16, against the winner of Glenmore Park High School and Plumpton High School. **Let's go Baulko!!!**

Mr. Paton, PDHPE

## Netball Knock Out Competition Round 1

On the 14th of March (Week 7, Friday) students across Years 10 to 12 participated in Round 1 of the Combined High Schools Netball Knockout competition against Holroyd High School.

Baulkham Hills students quickly found their rhythm with each player settling into their positions and utilising their own strengths - Sukanya's flawless feeds in the circle, Yovelle's superior stamina and unrivalled anticipation, Enika's super shots, Prabhpreet's remarkable rebounds, Varshini's impenetrable defence, Shimmer's commanding hold, Jess' swift positioning and precision shooting, Rithaja's unyielding defence and Maureen's long reach and multiple tips!

Throughout the game, the defensive unit put immense pressure on the opposition, while our mid-court players effortlessly transitioned the ball down the court and allowed our shooters to build a formidable lead winning 33 - 0.

Baulkham Hills High School continues to Round 2 where they will be versing Richmond High School. Good luck Baulko!

Miss Marten, PDHPE

## Careers News

Here are a few reminders of upcoming key dates and processes relating to UAC and early entry.

**UAC opens on April 2** this year and students will be contacted directly by UAC with login information. Then the next major date relating to UAC is not until late September, in most cases. UAC has a one-off fee of around \$80, but after September this goes up to over \$200.

Although it opens in April, there's not too much you can do with it until later in the year. What you can do immediately is apply for SRS (early entry) and EAS (for students experiencing educational disadvantage).

**EAS/disadvantage includes the following categories**, all of which require particular kinds of [evidence which you can find here](#):

- Disrupted schooling
- Financial challenges
- Severe family disruption (due to illness, death or divorce)
- Excessive family responsibilities (eg. caring duties)
- English language difficulty
- Personal illness/disability
- Refugee and humanitarian status
- School environment (does not apply to BHHS)
- Socio-economic index for areas (SEIFA)

**SRS** is an early entry scheme that UAC runs on behalf of most universities ([here is a full list and their requirements](#)). Some other universities run their own early entry programs (popular ones listed below).

Please note that SRS through UAC is mostly designed for students who might have had a good Year 11 but did not perform to the same standard in Year 12 (for any reason), such that they may miss out on selection for their degree. This is a very small subset of BHHS students - but there are no negative consequences to applying for this in other circumstances. It should be noted that very competitive degrees such as Medicine, Dentistry, Vet Medicine and Law are often excluded from SRS, although not in all cases for Law.

Direct early entry schemes such as at [UNSW](#), [USyd](#), [ANU](#), [WSU](#), [Macquarie](#) and [UTS](#) have their own requirements and should be looked up on the universities' sites directly - links provided. They are often accompanied by scholarships because these are often only available to students who have demonstrated financial disadvantage (through the SEIFA category in EAS).

17 March 2025

It is important to remember that the aim this year is not to get as many offers as possible, it's to get the offer you want. So, I wouldn't simply apply for every early entry program; I would only apply for courses and universities I have a genuine interest in attending.

If you have questions you are welcome to contact the school and the message will be passed onto me.

Enjoy,

**Chris Buchli**  
**Careers Adviser**

## School Travel Passes – School Opal Card Information

Students who require a School Opal card or travel pass but have not yet applied need to [apply](#) or update their details as soon as possible.

In the Opal network, students should travel with a Child/Youth Opal card until they receive their valid School Opal card. If outside Greater Sydney, parents should contact their local bus operator to discuss their travel needs.

### Terms of Use

**Students using School Opal cards must tap on and tap off in line with the [Opal terms of use](#).**

This includes travel within the approved times between 6.30am and 7.00pm from Monday to Friday on school days only. Students must use their Child/Youth Opal card for any travel outside these times.

All students are required to comply with the [Student code of conduct](#). The code of conduct aims to ensure the safety and well-being of school children and other passengers. It is important that parents ensure their child is aware of this, as failure to comply with the code of conduct can result in a suspension from travel.

## School Bytes Information

Dear Parents/Carers,

**Please read below and download as soon as possible.**

School Bytes provides a parent portal to help your school communicate with you. This is accessible via a website and an App, available for both Apple and Android devices.

Baulkham Hills High School uses the parent portal for various things, including **online permission notes and payments**, which can be accessed via a secure link. The School Bytes parent portal enables you to view all your children in one portal and process payments for multiple siblings in one transaction, even if they attend different schools (assuming all of the schools use School Bytes!).

**IMPORTANT** – To ensure that the registration process works smoothly and you can link your account to your child(ren), make sure that you use the same email address that you have provided to the school or if using a different email address, an SMS verification code will be sent to the mobile phone number on record for you at the school.

### **Detailed steps**

1. Open the parent portal link – <https://portal.schoolbytes.education/auth/login>
2. Select the create a new account link.
3. Enter your first name as it appears on your student's profile at the school.
4. Enter your last name as it appears on your student's profile at the school.
5. Enter the email address that you use for school communication.
6. Enter a password.
7. Confirm the password.
8. Select create account.

An email will be sent to the email address nominated so that you can verify your access to the email address.

Once you have created your account, log in to the School Bytes parent portal.

*You can now link your account to all students in schools that use the School Bytes platform.*

1. Select link other student.
2. Search for the school's name.
3. Enter the student's first name.
4. Enter the student's last name.
5. Select the student's current grade.
6. Enter the student's date of birth.

17 March 2025

### 7. Select search.

If all student information matches with parent information according to the student's official enrolment stored at the school, the system will add the student to the parent account automatically.

If you are unable to link a student to your account or if you have any questions relating to this process please contact the school.

### Activating the Parent App

1. Access the app store on your phone and search for School Bytes.

If you can't find it, here are the direct links:

**Apple:** <https://play.google.com/store/apps/details?id=education.schoolbytes>

**Android:** <https://play.google.com/store/apps/details?id=education.schoolbytes>

2. Download the School Bytes App.

3. Use your username and password created previously to log on.

4. If prompted, allow notifications.

You are all set to go!

The graphic is a promotional poster for the 'School Bytes Parent App'. It features a dark blue background. At the top left is the 'School Bytes' logo, which consists of a stylized 'S' made of three colored squares (green, blue, and yellow) next to the text 'School Bytes'. Below the logo, the words 'Parent App' are written in large, white, bold letters, and 'Available now!' is written in smaller, light blue letters. In the center, there is a white smartphone displaying the app's interface. The screen shows a 'Dashboard' with a 'Welcome John' message, buttons for 'Finance', 'Payment History', 'Activities', 'Forms', 'Documents', and 'Attendance', and a list of students with their names and school names. Surrounding the phone are several circular icons connected by lines, representing various app features: a calendar, a credit card, a document with a checkmark, a bell for notifications, a group of people, and a speech bubble. At the bottom left, a white box titled 'Key Features' lists five bullet points: 'Get real time push notifications from your school', 'Stay signed in and save your card for secure payments for fees and excursions', 'Give consent, sign forms and respond to attendance alerts', and 'View the school calendar and news'. At the bottom right, there are two buttons: 'Download on the App Store' and 'GET IT ON Google Play'.

## BHHS Mobile Phone Policy and Implementation

### **Purpose Statement:**

The "no phones in school" policy is being implemented to increase focus and learning in classrooms, remove distractions and promote positive social interactions. The implementation of this policy is a requirement by the NSW Department of Education under the *Students' Use of Mobile Phones in Schools Policy*.

### **Rational:**

Students are not been permitted to use mobile phones whilst on school grounds, including before & after school, recess and lunch. We understand that phones are an integral part of life and that parents/carers provide their children phones for their personal safety and security. However, whilst at school, the school would encourage students to engage in meaningful conversations with each other and physical activity during breaks rather than online activities. In emergency situations, students and parents/carer may contact each other through the Front Office. The school, understands that there are some circumstances where a phone may be required by students. Therefore, exemptions are available for students that may require the use of a mobile phone for wellbeing reasons, learning or medical needs.

### **Roles and Responsibilities:**

#### **Parents and carers:**

- Encourage students to follow the school policy.
- Communicate with their child through the front office rather than contacting the student directly.
- Understand that the school takes no responsibility for loss or damage to phones.
- Encourage their children to engage in social and physical activities during break times.
- Work collaboratively with the school and help reinforce the school's procedures and behaviour management policy and use of phones at school to support staff.

#### **Students:**

- Turn off the phone and place it in a bag or pocket for the duration of the time on school grounds, this extends to excursions, sports activities and other events on or offsite unless otherwise advised.
- In some circumstances, students may be requested to place their phone in a secure safe in the staffroom, which will allow the phone to be provided as required.
- Engage in learning in the classroom.
- Engage in social and physical activities during break times.
- It is the responsibility of students to follow the guidelines outlined in this document.

### **Implementation of policy:**

At BHHS, the "no phone" policy will be implemented by requiring students to turn off their phone when entering the school grounds and place them in their bag or pocket for the duration of the day. They will only be allowed to take them out and use them when leaving the school grounds at the end of the day. This means that they are not permitted to be used at recess and lunch, and before/after school on school grounds. It also extends to excursions, sports activities and other events on or offsite unless otherwise advised.

17 March 2025

Students are not permitted to congregate around the school entrances before entering the school grounds in order to use their phones, especially in the morning. Once arriving at school, students must enter the school grounds where there is teacher supervision.

The exceptions to this policy will include:

- Exemptions through an application process for wellbeing, medical or students with specific needs.
- Required as a learning tool for educational purposes with explicit teacher permission.

Applications for exemptions from parents/carers and students is through an application process from the relevant Deputy Principal unless already identified by the wellbeing team.

### **Phone Protection:**

- Students must take full responsibility for any phone brought to school. The School and staff accepts no responsibility for replacing lost, stolen or damaged phones.
- Confiscated phones will be labelled and then stored in a secure place in the front office. Any existing damage will be noted and added to the phone documentation.
- Students are advised to mark their mobile phones clearly with their name.
- BHHS strongly advises the use of passwords and Personal Identification Number (and not to share these with others) to protect mobile phones from unauthorised use.

### **Consequences:**

- Students who do not meet the expectations in this policy will be subject to consequences consistent with the school behaviour management plan.
- The use of mobile phones **without permission** during lessons, assemblies, excursions or other school events will be managed according to the BHHS Behaviour Management Policy. These include, but are not limited to:
  - Confiscation of the mobile phone for the remainder of the school day.
  - Confiscation of the mobile phone until such time as their parent/carer can attend school to collect the device.
  - Removal of “**phones off and away**” and replaced by “**phones stored in office**” for the school day.
  - Issue of warning of suspension.
  - Suspension for continued disobedience due to failure to follow the procedures of this policy and the Behaviour Management Policy.
- Confiscated mobile phones will be stored securely at the Front Office.

### Update of Personal Details

If there have been any changes to your personal details, please email the school with any changes –

It is important that parents/guardians keep the school informed of any changes.

## Administration Updates

### Absence Explanations

Parents are required to provide an explanation of absence to the school on the day of absence or **within seven (7) days** from the first day of any period of absence, **otherwise it will remain unjustified**. If a student is absent for three (3) days or more a **Medical Certificate** is required.

#### Days missed = years lost

A day here and there doesn't seem like much, but...

education.nsw.gov.au

### Application for Extended Leave – Travel

Please click on the link below and fill in the form (4 pages) for extended leave – travel and certificate. A copy of flight details or itinerary is also to be included. The student can bring the hard copy form to be signed which is subject to approval before going on leave. **The certificate of extended leave travel will be given back to the student if travel leave is approved.**

<https://education.nsw.gov.au/content/dam/main-education/policy-library/public/implementation-documents/pd-2005-0259-02-01.pdf>

### Planned Travel

**Planned travel** should only be taken during school holidays. Students should be at school every day during school term, from beginning to end. Missing a day here or there may not seem like much, but absences add up. Every day matters and the school is here to support all students in attending and engaging with their learning every day of the term. If your child cannot be at school because they are sick, have a medical appointment, or other reasons, please inform the school of their absence.

### TAFE Use

Students are reminded that the use of the adjacent TAFE facility to walk to and from Old Northern Rd is a privilege and not a right. Students are reminded to walk safely, quietly and quickly through the facility. Parents and carers are **not** permitted to enter, drive into, or park in the TAFE to pick up or drop off students.

### Student pickup after school

A reminder about parking and picking up around our school in the afternoons, especially in the school bus bay, Carver Crescent, Christopher Street, Coronation Road, and Baulkham Hills TAFE areas.

Please ensure you follow all traffic rules (especially traffic lights and not parking across driveways) when you are in these areas. You could even have your student walk a little but further away from the school gate – to assist their physical health, and alleviate the heavy traffic at the end of the school day.

The Hills Shire Council will have compliance officers at various times in these locations to ensure all drivers are following required traffic rules.

### Support From Reachout

The challenges of supporting students as parents and carers is always present. The issues around COVID-19 have made this an even more difficult and uncertain path to tread. I will be giving students short ideas via assemblies over the next few weeks in which they can proactively support themselves.

The website Reachout.com also provides advice for parent and carers over arrange of areas. It is worth having a look at <https://parents.au.reachout.com/> as a starting point.

For students, have a look at <https://au.reachout.com/articles/how-to-handle-fear-about-the-future-a-guide-for-year-12-students> (Dr Amy Burton, Clinical Psychologist)

### Bus Travel

The bus stop on Old Northern Rd in front of Baulkham Hills TAFE is used each afternoon by approximately 100 students. Students have the privilege and responsibility of accessing this bus stop through the TAFE. **I would remind students to be very careful and considerate when using and accessing this bus stop, waiting for a bus, and moving to the kerb to get on a bus.** Buses sometimes approach the stop very quickly, with the front of the bus coming over the edge of the kerb. Please always demonstrate courtesy and safety, and remember that there is always another bus.
