New 2018/2019 Entertainment Book

From the principal's desk:

Our Athletics Carnival last week was a great couple of days. The weather was brilliant and those who competed did so with spirit and enthusiasm. Congratulations to the organisers. Unfortunately a very large number of our Year 10 and 12 students chose to miss the carnival. This displayed a lack of school spirit and selfishness on the part of the individuals concerned. Even if one is not a champion athlete they can still come along and support others who are competing. As a result of this we will introduce next year a record of carnival attendance to be shown on student reports. This will cover swimming, cross country and athletics. Active participation in whole school events are looked at favourably by employers and scholarship committees.

School fees invoices have been distributed to all year groups. The school budgets for planned expenditure based on an expectation that families will meet their fee obligations. If you have not already done so, please get the fees paid as soon as possible. Families who

Year 10 Textiles and Design

Year 10 Textiles and Design completed their very own teddy bear as a part of the Soft Toy Unit. All of their bears had hand stitched noses, mouths, jointed arms, legs and neck, safety eyes and their very own personality. All students created a portfolio that explained their creative process in the making of their bears. I am very proud of the effort which was put into each project and from what the class tells me they enjoyed making them very much.

Relay For Life

Congratulations BHHS, what a great thing you did. There was great community support and the Cancer Council were thrilled to see our school represented and be part of the event. There were a number of participants that really got behind the cause and walked a large number of laps to show support for those that have lost or won the fight and for those that are caring for someone with cancer. Cancer is a horrible disease that pervades

so many lives and most of us have had some contact via a family member or friend. There is still time to donate before the final tally is announced.

Thanks to Mr McDonnell for visiting and supplying some vital refreshments, Mr Humphreys, Mr Blunden and Mrs Parnell for cheering us along and doing a couple of laps in support.

Thanks to the coordinator and team captain **Shreya Navi (Yr 11) from Outreach**

UBS Young Women's Leadership Academy 2018

Recently, I was given the opportunity to attend the UBS Young Women's Leadership Academy - an annual four day residential program organised and operated by global investment bank UBS at the Women's College and University of Sydney. The Academy brings together 40 Year 11 students selected from hundreds of applicants to learn from and engage with leaders, youth representatives and social initiatives - ultimately aiming to broaden our understanding of what it means and takes to be a leader. The program took place in the April holidays, and students were billeted at the Women's College at the University of Sydney.

The first day of the Academy was largely spent on getting to know each other, especially as many of the girls did not live in Sydney. We were exposed to the different personality types through the Myers Brigg Type Indicator, and a guest speaker explained what each personality type entailed and how it related to leadership. This was extremely helpful, especially as we were given advice on how to tailor our approach as leaders to people with different personalities, so as to maximise teamwork and output from every individual. The session also helped us understand our different capabilities as leaders, and identify our strengths and weaknesses in how we handled situations.

The Academy also focused on personal branding and presentation as two extremely important aspects of all leaders. Throughout the second day, we participated in various workshops which allowed us to improve our presentation skills as well as cultivate our image and self-perception, ultimately focusing on creating a personal brand with the intention to inspire. This involved many off the cuff pitches and impromptu speeches in order to develop our ability to think and speak quickly and effectively as leaders.

The third day of the Academy was perhaps the most valuable. We spent the majority of the day at the UBS office in Chifley Square - allowing us to not only engage with past Academy alumni but also UBS cadets who spoke to us about the opportunities and work that a career in investment banking held. Guest speaker Dr Catherine Keenan from the Sydney Story Factory also spoke to us about the importance of words, inspiration and leadership to enact even the smallest impact in society. Following this, we were given a tour of the UBS office, including the trading floor, allowing us to truly glimpse what it meant to work in an investment bank. Later on, we were also given a private tour of the Art Gallery of NSW, upon the conclusion of which we returned to the UBS office. In the evening, along with UBS cadets, employees and several high profile executives, we attended a canape networking function

in the UBS office. This allowed us to engage with different people and discuss different pathways to investment banking, cadetships and the importance of leadership.

The final day consisted of a session with the Foundation for Young Australians in which we discussed contemporary social issues which we wanted to tackle and formed pitches for videos to increase awareness. The Academy culminated in a graduation lunch at the Women's College hosted by the Secondary School's Principal's Association and marked the end of our four day journey.

Overall, the Academy was one of the most enriching experiences of my life as a leader, and the friendships I formed and advice I learnt have been incredibly valuable. I highly recommend applying to any interested future female students and leaders in Year 11 - it's definitely a rewarding experience if you're interested in leadership.
