From the principal's desk:

A reminder to all our families that the Multicultural Food Fair is on this Saturday from 5 – 9pm. Come along and share the diversity and harmony of our school. There will be entertainment and great food available.

Our Army Cadets continue at camp this week. We wish them well.

The Higher School Certificate has concluded and there are many relieved students now waiting nervously for the results. We wish them all the best. Back to Baulko Day is on December 14th.

Now that Year 12 have finished the new Year 12 students will take possession of the Senior Study. This will give them a space in which to study during the free periods and also a place to socialise at recess and lunch.

The first Recognition Assembly for second semester will be for Year 11 this Thursday.

Youth of the Year Competition – Crestwood Lions Club

Crestwood Lions Club conducted its annual Youth of the Year Competition on Thursday November 15. Maskan Jain from Year 11 represented the School admirably in both the Public Speaking and Youth Citizenship components of the contest. This is a world wide competition conducted by Lions International giving Senior Students an opportunity to show their prowess in Public Speaking and their interest in both their Local and Global Community through active participation and sound general knowledge.

The competition was very strong as usual with students from William Clarke and Crestwood High giving Maskan a very tough challenge, however she represented B.H.H.S. exceptionally well receiving high praise from the judges, for both her interest and knowledge as well as her proactive involvement.

Congratulations to Maskan for giving up her time to prepare and attend this prestigious competition.

Should any other students be interested there are several Lions Clubs in the area who will hold this event in early 2019.
